Subject: An Announcement to the Whole World by Chinese Victims

An Announcement to the Whole World by Chinese Victims

Dear Ladies and Gentlemen,

First of all, please permit us to introduce ourselves to you. We are some of the Chinese victims from dozens of regions and cities across China, who have been cruelly harassed -tortured and persecuted in a covert way by the means of secret remote control on human body & brain. Among us, there are corporate employees, teachers, students, retirees and other intellectual workers and physical workers. Our suffering period ranges from several months till over 30 years.

Thanks to Internet that builds a bridge for us to know each other, and it is same sufferings bring us to work together.

A group of secret criminals who abuse their powers, arbitrarily use i°the means of secret remote control on human body & braini±, illegally manipulate our bodies and brains covertly, and also cruelly torture and harass us psychologically and physically and persecute us days and nights so that a lot of victims live a very miserable and horrible life.

Secret criminals utilize the weapons of i°secret remote control on human body & brain- and remotely influence us, and consequently our bodies suffer from physiological diseases and physiological behaviorsi± caused artificially from their weapons such as aching, itching, coldness, hotness, trembling, unwell feeling and unhappiness, and so that our brains suffer harrassments and tortures from acoasma and hallucination. Besides, criminals do all they could to shamelessly steal and indecently spread our privacy in our brains in a abnormal psychology- and crazily do all they could to intimidate and humiliate victims. All these vices do a great harm us psychologically and physically. Therefore , some innocent victims was forced to hospitals especially for being forced to accept mental treatment, some innocent victims were forced to suicide because of intolerable secret tortures and insults, and others died of "strange fatal diseases" yielded by criminals secretly in a special trap.

Such secret crimes as the wide abuse of their powers, the illegal use of the means of secret remote control on human body & brain- and illegal violation of fundamental human rights, have resulted horribly in atrocity

or the unprecedented anti-human catastrophe of human rights technically. These crimes not only challenge severely Chinese constitution and laws, but also human conscience, the UN Charter and the Universal Declaration of Human Rights. It is NOT permitted by all the human beings at all!

Owing to the above-mentioned cases, Chinese victims jointly lodged a

collective complaint to Chinese President Hu Jintaoi (please see attachment 1) on 3rd Dec. 2007, and emailed it to the Chinese Communist Party Central Committee, every ministries of the State Council, major news media and the legal community who we asked to deliver the complaints to Chinese President.

Subsequently, we jointly announced " An Open Letter to the Head of Chinese Secret Institution" on 5th May 2008.(Please see attachment 2)

Chinese Government has the undisputed responsibility to take an immediate investigation into the secret criminals who abuse their power, and to sternly punish them according to the clause of "the State respect and protect citizens'human rights" set out by Constitution of PRC China. However, unfortunately,so far we have not received any response on the issue.

The Universal Declaration of Human Rights (UN General Assembly passed and published Resolution 217A (III) on 10th December 1948) stipulates in the following relevant clauses that:

Article 3 Everyone has the right to life, liberty and security of person.

Article 5 No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Article 6 Everyone has the right to recognition everywhere as a person before the law.

Article 12 No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.

Article 19 Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers.

China is one of the creators of the United Nations, a permanent member of the UN Security Council, a member of UN Human Right Council and one of the signers of UN Covenant on Human Rights. Therefore, China should seriously observe and enforce the relevant rules of UN Universal Declaration of Human Rights.

At present, the quantity of victims are increasingly rising around the globe. Thousands of victims strongly demand for an investigation into the sinful Hi-tech crimes which covertly violate human rights worldwide. A large quantity of the stated facts reveal that these secret fascist criminals are the common enemies of all the human beings who use Hi-tech means to arbitrarily secretly violate human dignity and fundamental human rights. The crazy secret Hi-tech crimes heavily threat and violate the fundamental rights of human livings in the world.

Challenged by the unprecedented worldwide catastrophe of human rights and the severe crimes of damaging human beings, we urge an immediate actions in union and bravely fight against the gangs of secret fascist criminals! We must disclose the horrible crimes which are covertly damaging human beings, and put them into the Judge Courtroom in International Criminal Court!!

Journalist and elites worldwide have the responsibility to provide supports for victims, the lawyers worldwide have the responsibility to

stand by and offer a legal aid to victims. UN Human Right Council has the responsibility to safeguard human rights and to protect thinking right, sleeping right, health right and living right of all the human beings. International Criminal Court at Hague has the responsibility to carry out an investigation into the crimes denounced by victims, and to charge these secret fascist, the criminals who severely violate fundamental human

rights with the Hi-tech Crime and the Antihuman Crime through and according to the relevant legal proceedings.

We, Chinese victims, support resolutely the global campaign of "Ban the abuse and torture of secret MIND CONTROL/PSYCHOTRONIC WEAPONS/Remote Human manipulation" through our practical actions. We strongly appeal for the United Nations to immediately stop the abuse of the means of the secret remote control on human body & brain which are used to cruelly harass and torture and persecute covertly common citizens.

We strongly urge the UN Secretary-General Ban Ki-moon to do his solemn duty to protect fundamental human rights of the whole world, and hold a urgent international conference on the ban of abusing the means of secret remote control on human body & brain" so as to protect the validity of the UN Charter and UN Declaration & Covenant on Human Rights. Also, we demand for European Commission for Human Right to immediately put Article 27 of A40005/1999 into practice.

We strongly urge global news media to stand out to support justice, and to take a deep careful investigation into the secret Hi-tech crimes, and to expose truly the sinful facts of secret fascist criminals to the global people.

We strongly urge global legal community to stand out to offer a legal aid to all the victims and support justice based on the UN Charter and UN Declaration & Covenant on Human Rights.

We strongly urge UN Human Right Council to take an urgent investigation into these secret fascist criminals who arbitrarily use the means of secret remote control on human body & brain which have been crazily violating fundamental human rights.

We strongly urge International Criminal Court to take an immediate investigation into our complaints, and to charge these secret fascist criminals who heavily violate fundamental human rights with the Hi-tech Crime and the Antihuman Crime, and to make a historic great contribution to guarantee the fundamental human rights of all the human beings!!

With best regards,

Yours truly

Firmly put this secret "enemy of humanity" sent to history of the judgment seat upper!

First Chapter: Illegal invasion human body the " secret agents control technology!"

20th Century 1960s, China Carry out "Cultural Revolution". In this Revolution, Lin Biao, Gang of Four using the power, command "secret agents control technology" means, to the Chinese people carry out brutal secret invasion human body control, making many people was secret stab in the back and died.

This " secret agents technology means", is the use of modern equipment and advanced science and technology, sensing telemetry and telecommand the victim's physical the nervous system, steal victims of the brain "thinking activities." Meanwhile, Issued out some sort of "electromagnetic radiation wave ", around-the-clock the manufacturing Victims physical pain, itch, heat, cold, trembling, numbness various "sick", secret devastation victim's mental and physical conduct stab in the back.

Such control human nervous system the secret " secret agents" technology, it is like "devil" to the same, around-the-clock the control in victim's physical, making victims suffer untold mental and physical suffering. For example, China he Navy General Staff Zhang Xue Se, In the May 11 , 1967. Was Lin Biao and his gang framed he is "spy" arrested detained. In May 29, 1970, he was this " secret agents technology means" innocent stab in the back, the die time age 54.

Hu preface wen, Liu YongLu and Wu Guoliang three people co-wrote the "the Zhang Xue Si General " this book. They in the book expose: "One day, Zhang Xue Si, from a coma wake up, his supine in bed, Angrily to write a "demon-riden" four characters, He wrote a number of times. The he beside people asked him " demon-riden" What does this mean? Zhang Xue si face of the journalists very angrily! He not answered. " Here," Zhang Xue si General" use "demon-riden" the word to make clear his suffered this "secret agents technology means" control persecution, This is very apt. At that time, he no know, is also impossible answered this is what kind of " secret agents technology means "? And this is completely understandable. However, the in he angrily denounced the complaint this "a demon-riden" and "secret agents technology means " persecution shortly after, He was immediately vilified as the so-called "systemic blood disseminated tuberculosis". " Pulmonary heart disease" and "serious malnutrition" and so on these "Strange Disease", and stab in the back death!

In "Great Cultural Revolution" process middle, like "Zhang Xue si General"same, There are many leaders and ordinary civilians being suffered this "secret agents technology means" the stab in the back died: Chinese Vice Premier Tao Zhu is being vilified as a "potent and infectious disease" stab in the back and died. Chinese Vice Premier Mr Suga, his in death the eve of sober-minded very, he and his wife, Shipman said: "Caution. They want to stab in the back me!" he Confident own does no get sick, do not want to go to hospital for medical treatment. Later, the "organization" to send him to the hospita . The results, only six hours another few minutes, him the heart stopped beating. Hong jian in "Renmin Ribao" wrote an article the"overturn framed charges united to move forward". He in this article middle indignantly pointed out: "(He Long), he did is not die of illness or old age died. He Is was Lin Biao and Gang of Four conspiracy stab in the back died the! " Ma Wenrui in "Renmin Ribao" wrote an article in " soldiers, they are soldiers" the article. In this article middle, Ma express condolences Shaanxi Provincial CPC Committee Ma ming wen, he angrily in the article: "Some say he died of illness is, in fact, He was Lin Biao, Gang of Four conspiracy stab in the back and died. " BEIJING Xinhua Zhao zhun Qing and Liu de yu in the "Renmin Ribao "wrote a article. Entitled " stay upright in people middle", express condolences

Qinghai Provincial CPC Committee Wang zhao. They in this article expose:
"Wang zhao is the Qinghai People Provincial respected the leader, He was Lin Biao, Gang of Four conspiracy stab in the back and died. "
China's State Council the Secretary-General Zhou rong xin, in was secret detention was time, "sick the dead". Zhou Enlai Premier how is also not the believe! He repeatedly ordered: must anatomy of the body find out reasons!

..... Soon.

This secret "secret agents " remote control human body the technology means, is steal human brain of the "free thinking" middle of the so-called "crime evidence", and then conducted with various forms of mental and physical torture persecution and of conspiracy stab in the back. Once they are "positioning control", he suffered illegal the secret means as follows:
(1), the secret mental torment: This advanced technical means, can secret know your brain middle the "thinking content". Through the " electromagnetic radiation wave" and your the "thinking" carry out of dialogue. Are you in thinking? They can secret steal know, and will immediately point out what are you in thinking, so that You in spirit caused great fear and panic. Just think, your mind thinking in about what, others will be able to know. This way, the people would not have any privacy! Every day Live in fear, will be very painful. Meanwhile, every day privacy of the individual being peeping, This same is very painful.

2), physical torture: the this secret of advanced technology, through "electromagnetic radiation wave" come control your physical appeared pain, itch, heat, cold, numb, trembling and so on "pathological", days and nights the secret tortures persecution, not only let you feel a physical unbearable the twinge, Moreover, is wanton violation your normal life, willful violations right to rest and the right to health. Daily suffered in secret physical torture persecution, however no way to find the real murderer. This way, long physical pain and humiliation to the spirit of could not to vent, force victims face life, the face community, produce negative attitude. Therefore, making some victims in could not bear the pain under, embarked on a suicidal path.

(3), persecution "positioning" the victims: They the use this of secret control human body technical means persecution. One is: manufacturing the Victims "mentally disorders"; Second: If the victim is a have man of strong conviction people, was imediately on victims carry out day and night brutal the physical body tortures, force the victims to produce strong discontent, words and deeds may have some anger "deviation", and this is what they need "crimes" evidence. This way, they can high-sounding the using law come "punishable". What is persecution? This namely is out-and-out persecution! !

(4), if such despicable trick still did not achieve the objective, they went on the use of conspiracy the stab in the back means. Put the victims on this the "secret control human body technical means" the angrily denounced charged. Slander is: "Neural not normal", " hallucinations, auditory hallucinations ", is suffering from the so-called: "schizophrenic". More malicious means is secret control of the victim's physical, manufacturing kinds of "diseases". And then make use of Hospital doctors "treat null and void" the conclusions, publicly announced: victim is "sick to death"! During the "Great Cultural Revolution", many china leaders and ordinary citizens were detained in the prisons, suffered such a conspiracy stab in the back. What is conspiracy stab in the back? This namely is out-and-out conspiracy stab in the back! !

(5), This "secret control human body technical means", from the beginning is complete violation law, is of the to citizens basic human rights the wanton violation. It is for this reason that they Is not legitimate, there is no way public the debut. Thus decided on the one hand, they on "positioning of the victims", ferociously implementation the mental and physical persecution

and stab in the back. The other hand, have racked their brains to afraid to reveal their true identity. And hush up, grafting, and shift the blame to others as an attempt to create chaos, is their usual tricks. They use "electromagnetic radiation wave", with the victims of the "thinking" carry out dialogue. Frequent use of modern advanced science technology . Such as voice synthesis; for example: theft victims around the familiar voice carry out "transponder". Also, deliberately issued macabre sound making carry out "confuses right and wrong," to create a false impression. Making victims have no way to determine the truth out. Moreover, and mislead victims, put to vent their anger directed at around the familiar the crowd. In short, do everything possible the to disrupt victims of "thought". Makes victims no way to detect who are the real "secret control tortures " own of the chief culprit!

In the whole world legal middle, there no " thinking crime" laws. That is to say, and everyone has their own "free thinking" of human rights. Legal only in words and acts in violation of the law time, the using Law Carry out punished. And people the "free thinking", regardless of what kind of "thinking", no one has the right to interfere! Otherwise, very clear are wanton violation fundamental human rights of citizens. It is totally illegal criminal acts, whether you are " secret agents " organization, or is and other what nature organizations for.

20th century and early 1980s, in the whole of China to carry out the"implement cadres policy", vindication many " no unfair, false, mistake case" the process, A senior judicial figure to in "Renmin Ribao" carried an article middle, with a special mention: "in China has no thinking crime! " This point!

Clearly, so there must special emphasize this point, because of in the "Cultural Revolution" middle, many cadres was Lin Biao, Gang of Four illegal secret detained, and was announced is to of some of so-called "Strange Disease" conspiracy stab in the back and died. Them has no openly oppose by " Chairman Mao Zedong headed proletariat headquarters" word and deed. But do not rule out the possibility of they in "freedom thought" the When, There not satisfied Engage "Cultural Revolution"of the thinking activities. And This It is for "secret agents control technology" to steal the so-called "thinking crime". And is carry out persecution and conspiracy stab in the back to the reason and basis! Therefore, in order to successfully "implement cadres policy", vindication all the "no unfair, false, wrong "case. Must is to be very clear that: "in China has no thinking crime! " This important principle of law and legal theory!

Facts show that 20th century began in the 1970s,on this in China's rampage the "secret agents control technology", historical and legal on the its has have solemn judgments: This is violation of basic human rights secret evil act!! ! This is Undermine the establishment of a harmonious society the secret of criminal acts!!

Unfortunately, now The This a "secret agents control technology" means, not only has no disappeared from the scene. The instead, in China continue more unbridled carry out crime activities, lawlessness secret wanton violations whole Chinese people to the ideological right, rest right and the right to health. This is humanity and the whole society should seriously consider vigilant and resolute opposition the!

Chapter II: I have personally suffered "secret agents control technology " the secret tortures persecution facts!

(1), causes:

1966 start of the "Great Cultural Revolution", making hundreds of millions of Chinese people onto the political stage. I is just near demobilized the soldiers is no exception. Participated in factory a mass organization of the " Red rebels Federation " ("Red Union"). Surrounded by elected for "leadership group" members.

Early 1967 the "January revolution to seize power Storm", in the Jiangsu Province causing "good send " and "P send" serious confrontation between the two factions. Then Nanjing Military Region commander Xu Shi you, later became Jiangsu Province Military control committee the leader. he the wife "Tin Pu", is the Jiangsu Province provincial authorities of " P send" middle key members . Thus, Xu shi you in behind-the- scenes support this" P send " the masses. This naturally leads to a portion of "good send" discontent among the masses.

Faced with such discontent among, in March 1967. The Xu Shi you an excuse the implementation of the Central Military Commission issued the "eight of order", the Suppression and ban a number of "good send" mass organization. And, use "counter-revolutionary crimes" the arrest many "good send" masses. Thus, will inevitably result more the"good send" masses discontent among. thus, in same year August, a number of "good send" mass took to the streets, to oppose Xu Shi you.

1970, Xu shi you he as director of the Jiangsu Revolutionary Committee of Director after, also was promoted for the CPC Committee Political members. So, he immediately once again the on oppose he the "good send " mass organizations to carry out retaliatory liquidation. He pretext of implementing Lin Biao the "No. 1 Order" and of CPC Central Committee " on the inventory 5.16" paper. In the Jiangsu Province launched a large-scale the " ferreting out 5.16 counterrevolutionary" campaign. He will be a large number of "good send" mass organizations, slander is : "5.16 counter-revolutionary organization". manufacturing together hundreds of thousands to be stigmatized as "5.16 counterrevolutionaries" suffered persecution, Thousands of people were killed, Countless the family breakup of the heinous cases .

The In this large-scale the "ferreting out 5.16 counterrevolutionaries " middle, Xu Shi you the confidant, the Jiangsu Provincial the Revolutionary Committee deputy director of Wu da sheng led the "Jiangsu Revolutionary the Committee publicity team " takeover "Nanjing University ". Another confidant, Nanjing City Revolutionary the Committee Fang- min director, brought with the " City Kilometer, Frederick, law, military control committee "(hereinafter referred to as " PSB ") the director Wang ji de takeover of "Nanjing 734 plant". They "positioning" this two units is Jiangsu Province "ferreting out 5.16 counterrevolutionary" the "liquidation mode". Then arrest wantonly "5.16 counterrevolutionaries ".

Because, I was 734 factories "good send" mass organizations "Red Union" middle the "leading group" members, So, 1971 January 14, I were of detained into to City "PSB" in factories set up the entire enclosed "prison."。

734 plant of the "Red Union" is an open the mass organizations, the not is "5.16 counter-revolutionary organization". 734 plants simply has no "5.16 counterrevolutionaries", it is very clearly the. They liquidation retaliatory, carry out baseless slander and slander. Of course, must do everything possible to manufacturing fraud deception cases. Thus, in the factory, not just wantonly arresting detained dozens of cadres and the masses, Use round-the-clock no stop the means on victms tortures trial. But

also for the thousands of employees to "study classes" in the name carry out of deceit, wantonly open the collusion testify. After several months of frenzied persecution . Result, the "Red Union," the leadership and organizations at all levels have more than 1,000 people forced to recognize is so-called the "5.16 counterrevolutionaries". In which have a middle-level cadres and in addition two masses were forced committed suicide.

However, I firmly am sure, own participate open the mass organizations of the "Red Union," is in line with the policies and laws the. I do not know but also what simply not participated in the "5.16 counter-revolutionary organization". And I is just from army back retired the. In the Cultural Revolution in China, without any violation of policy and law, I did not participate in the " assault, smashing, whirl" the military fights, did not participate in opposing Xu Shi yu the action. So, Regardless of how they deceived and torture trial me, I not only never yield, will never accept imposed on of I the "5.16 counter-revolutionary" label. The instead, I put

them many cases of cheating and deception practices, all write become " charged book " sent give to them, toward Chairman Mao charged them.

In this way, I strongly protest and the struggle against the attitude, become them manufacturing false cases carry out cheating and deception practices insurmountable the obstacles. In factories "ferreting out 5.16 Group " on me carry out the days and nights persecution failure of after, "PSB" finally had to himself to the front stage come 'performances' the. September 1971, One day, Once again, I was trial, Several "PSB" officials to sit the trial tables in beside.

"Xin zhong Qing, Today showdown! We are 'PSB' the. Today, we the come here is specialized for the your! 734 factory have a 'the 5.16 counter-revolutionary organizations'! In The This "counter-revolutionary organizations " middle, you the status, own the unclear here? You Is the "counter-revolutionary organizations" core members! You must to honest Confessed! Several "key" Remember: time; locations; who approved by you; who the you Development target? Completing the what 'Register Forms'? You according this several key to go "Overtaking bar " ! "Overtaking accurate" you lucky! "Overtaking wrong", you disaster!

"No! I really do not know, simply did not participate in any 5.16 counter-revolutionary organizations." I firmly answered.

"Hey! Now been is to what time? Ah! You in probably still dreaming ? ! ' Frankly leniency will be ' been held many Th, You not to go participated the there? ! Tell you! You the around people all has are ' 5.16 counter-revolutionary '!! Is it said, only you one a people not ' the 5.16 counter-revolutionary'! ? Do you probably want with their granite brains seeing God! We can tell you honestly: you not their senses, refused to a confession own is ' 5.16 counter-revolutionary', we will never hesitate! You will were the dictatorship of the proletariat iron fist to crush!" interrogation people murderously roared.

"Xin zhong Qing, We this are in to save you. We do not want you go 'resistance strict ' on the road ah! "Another older The large number of people to moderate to say: "You must know that this is of the municipal party committee personally squatting the 'point', you have to care of whole situation ah! "

Obviously, with the one hand is the erection of "bar crawl" force me crawl; the other with the one hand use of "whip" pumping me. Have the sing "red face"; have the sing "scoundrel". Do everything possible force me to yield the intention is very obvious.

" No! I really do not know. Nor did it participate in ' 5.16 counter-revolutionary organizations'. Others acknowledge, that it was they their own affair. I must on to policy, legal and me own responsible. " I firmly said.

.....

In this way, I strongly protest the struggle; I resolute exposed the tit-for-tat attitude, making me this the civilian population, become has severely damage 734 plant this a "Jiangsu ferreting out 5.16 counter-revolutionary " the "liquidation mode", thereby affecting the entire Nanjing

" ferreting out 5.16 counter-revolutionary whole situation success " the "obstacles" and " historical the hidden dangers"! Therefore, they bound remove to destroy me! ! In the open means force I yield complete failure After, Finally, the use advanced " secret control human body " the technical means, the ferociously on my physical carry out secret tortures persecution and conspiracy stab in the back!!

(2) Is how the found this "secret agent" control the human body technology means ?

At first, I was detained in the cell, felt two legs of knee pain. Is suffering from a "Arthritis"? I silently in minds thought: from was detained in prison cell Began, I for prevent suffering from "arthritis", twice daily physical exercise. Sit time, use quilts to protect legs warm. Moreover, I from no arthritis of the "disease history", logically speaking, it is impossible in the short run have arthritis. I have good health, did not the disease. Although I service in the military time, there was a slight "stomach illness". However, demobilized after demobilized has cured. Also have, in August 1967, I have one th the short time the lower quadrant pain, then that the to go hospital made to a comprehensive inspection of, exclude all possible "intrahepatic sick". However, it is now fear that have "arthritis", and the coincidence is suffering from "joint pain" the? This is how one thing?

I silently in minds this way thought. Suddenly, had been cured four, five years the "stomach" twinge together. Later, " intrahepatic " has again twinge together. Even more surprising is the next day, pain have few weeks of the "joint pain" Suddenly disap, Substitute for the is " stomach" pain and " intrahepatic " pain!? This is how one thing? I in minds thought the content, How was will in my body middle immediately emerge the same reaction? ! I am very surprised, full of suspicion.

Shortly in my body again occurred in a most alarming "strange things". my ears led to the " tinnitus ". The strange thing is "Voice" can change: from the "low frequency" change to "high-frequency"sound, keep changes. Like is an "change tone " trumpets! I repeated tests and self-identification, confirmed that this not me the "hallucinations, auditory hallucinations" or "physical illness".

I the wide range of knowledge, making I on the this was detained the prison cell environment, may have the secret "secret agents" technological means in of surveillance tapping and control of this "analysis and ideas", produce to huge panic. So, I carefully search for a room surrounded all suspicious places. However, did not find any problems.

When I was in a serious analysis reflection and search for evidence time, suddenly, responsible for the management of the prison the Luo ma zi and with two other guards into the room.

" You put things clean up good! " He said to me.

I very wondering, did not utter a sound.

" We give you to transfer to another room. "He has no to explain.

I was transposed to the upstairs of a cell. Room some spacious, encouraging the Is, windows was are sealed half, setting of the sun time, Can be Irradiation to room.

One day, near noon, I stood to window watch outside, Suddenly, in the window below. Factories the carpentry workshop hallway, A group female words employees the voice to Imported my ear. I Can Not help but watch with them. Remembrance and sadness in minds the sudden rise: I not know home middle parents now how kind? I do not know wife and two years old the daughter of now how kind? Was detained for more than six months the "lonely" life, making I can not help but memories wedding night happy and sweet; can not help but Recalled honeymoon trip the joy and love I the thinking, of like can not control the horse, In "sexual love" the grassland up Benz

.....

At noon, the Luo ma zi led the two guards to into room. He in away from window one meter the Ground, use chalk drawn " a line ". Then ferocious to on I roared: "Arise! Stand good!" He went on to say : "From now on, prohibited you to cross this line to go window look out outside! Also prohibited You stand before window imaginings !! You only allowed to sit in bed Cleaning thinking, Confessed to own the 5.16 counterrevolutionary problems! Otherwise, must not blame we bluntly! You hear the here? !"

I quietly listened to his words, a huge "doubt", in my minds rummage together: "The strange! Luo ma zi is how will know I in the window before the 'imaginings '? ! I in window before thinking, they are how secret steal know the? !"

I repeated the analysis Luo ma zi and he the "remark and behavior ", Obviously, he only was ordered act the person, Then, in this behind the instigation of the "person" who is? I put these found with in the downstairs room middle physical was suffered the Anomalies linked together, this making I feel that, my thoughts and physical body; my words and actions, whole all in was They use the secret "secret agents" technological means carry out secret steal control !! —this huge the panic once again occupied I the minds. I started check daily the meals, see if there are any "abnormal"? Or is placed into have are any "drugs"? But still did not find anything. Nevertheless, I could not dispel the suspicions.

(3), the on I physical the secret control tortures persecution and conspiracy stab in the back the facts!!

November 1971, that is, "PSB" open toward the Me "showdown": " You will were the dictatorship of the proletariat iron fist to crush" the threats! Met an I firm resistance and protest After, They immediately will me transfer back original downstairs the " entire sealing the prison cell". Since then, "the public security bureau" stop open the interrogation, but I the body in was detained prison cell middle, that emerged the there lot of unusual "uncomfortable " and "twinge". And moreover, more and more, becoming more frequent and more serious.

Initially, Every day all is only "stomach and liver pain". Shortly, which led to the "testicular pain" and " buttock pain". Moreover, every day in the body to the emergence of various "pain and itch ", forcing my in bed the "Sit uneasy ". Sleep evening time, also again the strange emergence the abnormal: "When I face upward sleep, buttock pain; When I right side sleeping when; right side pain; When I left side sleeping when, left side pain; When I face under sleep, the genital pain together....., every night all like is this, forced I can not to sleep. And later, this anomalies pain, again the "upgrade": During the day, an increase of wrist pain, headache, fever, feet cold. left, right eye frequently beat. Tooth viscosity was abnormal. At night, the body of all kinds of unusual pain, itch, cold, hot, Ma, trembling frequently appeared, parallel there. Making me the pain unbearable. Such as: Started: headache, feet and nerve twinge simultaneously; Then change: testicular pain and stomach and shoulder twinge. Later: systemic began sweating, back as severe pain so on. Constantly alternating changing, the emergence of various abnormal physical pain!

Obviously, such a brazen, not unusual the "physical pain", by no means me the body have what "disease"! I have no doubt that The This "physical body pain" is secret "secret agent" technology the remote-control tortures persecution! This is a little-known substitute the open of the extortion of confessions by torture the technology! I for own the discover feel very their and anger: such wanton trampling on the Constitution of the dignity, violations human rights of citizens, violation of minimum humanitarian the "secret agents" conspiracy to control human body the tortures persecution means, that emerged in a leadership of the Communist Party the socialist

country with! This in the past, I is in any event would have been unthinkable the! I firmly believe that this kind of "secret agents" the secret control technology is totally illegal the! This is violations of basic human rights, shameless is the crime!

And when I pick up the pen come write charged to expose this "secret persecution" the time, I found this " secret agents" illegal control I body the tortures persecution, immediately there was new "upgrade":

In my ear middle from time to Led to the "fire a gun" voice, have rapid-fire bursts of sound. Also have the single "Bang! Bang!" the Sound. Moreover, and in emerged this "fire a gun" Sound the same time, chest pain, heart bang bang the jump, breathing difficulties, My body was strong trembled, emerged in strong " sense of fear ". My spirit and body, suffered to by most contemptible threatening and torture pain!

Whenever I read books and newspapers, see "class enemies" and "dictatorship of the proletariat" these contents the same time, my body again was synchronous control that emerged strong trembled. And ears inside " fire a gun " time is the same tortures, Subjected to and shameless the physical and Mental the persecution.

One day, guards Lu Ruihua anomalies the will newspaper sent to a room, I left the bed to go to receiving newspapers, suddenly, I two feeling lost leg control, fall to the ground. When I loudly shouted "Chairman Mao Long Live " the slogans strongly protest time, suddenly, two leg immediate resumption of control, my stand the up.

Management prison the Luo ma zi, of suddenly in the corridors of tables, the placed a transistor radios. Daily broadcast "Taking Tiger Mountain By Strategy", and when sung to "kill the enemy" the voice into my ears the time. As noted above, I once again were control strong body trembled, heart synchronous that emerged strong the "sense of fear", When the dance drama "White-haired Girl" accompaniment voice into my ears to the time, I the genital was them synchronous controlling that emerged trembled, itching. and the ensuing is prolonged secret the manufacturing me strong of sexual experience and strong inhibition of sexual desire --- this two mixed together carry out the shameless the "sexual tortures" the control persecution.

.....
In addition, night when I sleep in bed, suffered various physical mental secret tortures and persecution more the serious:

My head was tortured to control extreme twinge, two eyes faint halo could not zhang open come;

My genitals were tortured into sometimes twinge, sometimes is trembled, sometimes strong "sexual excitement";

I the testicles subjected to of like electric shocks the same twinge. Sometimes time shorter. Sometimes is unbearable the strong twinge!

My the thighs and shoulders the inside, alternating that emerged extremely anomalies the incomparable "unbearable" the sensory;

In my shoulder after . From time to time there are thousands like acupuncture in thorn the same "acupuncture - like" twinge;

My body every part, the frequent alternating that emerged kinds of itching and all pain, forcing me continuous scratching itch. extremely the painful.

When I sleep in bed, in this "secret agents" Control means tortures persecution under, feel very painful and fatigue, just to enter "critical sleep " instant. My whole body was control that emerged strong trembling. Forced put I to engage in sober! Me were tortured the extremely suffering! When the second time to re-enter "critical sleep " , They still this way, again put I to engage in sober! This way repeated tortured I many th after, give before I sleep.

Even if I "go to sleep" after, This the "secret agents" control technology still left off me. They control my large brain the "sleep and wake" nerve,

put I placed in semi-consciousness blur state, and then control tortured I, making me that emerged painful suffocation sensory; Also be making my felt top head have one a strong magnetic field "suction flu ". And emerged the pressure heavy feeling Forcing I want to wake up, but no way to wake up, want shouting the again could not shouting, this unbearable the huge suffering middle.

This "secret agents" the gang of , for I impeding write charged materials, put I the Fingers control like "paw-like": five fingers, sometimes

impossible to separate, sometimes again impossible to merge; sometimes impossible to Bending, sometimes again impossible to Stretch. making I can hardly grasp T, difficult to write charged material. Day after day, and often in night, this on me the fascist of secret physical and mental the tortures persecution, force The me could not sleep at night. In the daytime, when I had to have to lie on the bed rest, Luo ma zi led the guards into come room, to "violations of prison regulations " as an excuse, Open assault me.

Early 1972 summer day in the afternoon, when I were this secret "secret agents" Control means persecution tortures head twinge, stomach twinge, vomiting out "yellow water", faint halo in bed, Luo ma zi again led the several guards rushed come the cells.

" Xin zhong Qing! During the day not allowed you to sleep in bed! This is 'prison regulations ' ! "

"I do not want lie on the bed" me condemned say: "This is a handful of drilling 'PSB' Lane fascist dog secret agents hiding in a dark corner, use radioactive machines This category secret technology, equipment and means, control me the physical tortures persecuted head pain, stomach pain, My head was tortured to control extreme pain and dizziness .I have no choice but to lie on the bed! "

"Nonsense! You this are in camouflage dementia talk nonsense! Who in secret control you body? ! If you body sick, can go see a doctor! " Luo ma zi posturing the scolded: " You if in here camouflage dementia talk nonsense, We blocking your mouth! Put you bundle together! "

"I have no camouflage dementia! I have not talk nonsense! I said are hard facts! I have written the charged material to been have sent give you! If it is a false accusation, I bear the legal responsibility! "I refute Road.

"You not honest, contrary to 'prison rules', we on you bluntly to!" Luo ma zi loud growl road, command guard beat me, put me knocked the ground. " Not Allowed you in here camouflage dementia, nonsense!" Luo ma zi loud the said," You must have the right attitude, honest confessed you 'counterrevolutionary 5.16'crime! Refused to make confessed, to resist the end. Certainly the is road to death! You want and Dictatorship of the proletariat Carry out Resistance? Tell you, dictatorship of the proletariat is not a vegetarian! Is must you know proletariat dictatorship fist the formidable!"

"I have no camouflage dementia, have no talk nonsense! " me down to the ground to loudly answered: " Your day and night secret control me body, on me carry out tortures, making I pain, itch, cold,hot,Ma, trembled and unbearable suffering. Is for making me suffering suffer disaster, persecution me! Is for the lured me! Is for seize I the so-called "crimes"! "On! You very not honest, is anti-party, anti socialism the counterrevolutionaries! Now, is as must let you suffering suffer disaster! Is as must the lured you! Is Want to seize you the 'crimes!" Luo ma zi loud the growl . The finally leaked out this "secret agents" control I physical, on me carry out tortures persecution the to real evil purpose. Another night, I was lying in bed, the were this "secret agents" technologies control body tortured the twinge unbearable, and simply can not sleep. I to go cell door after anger combat cell door . On at the door loudly firmly condemned this secret "secret agents" the gang of, control me body tortures fascist persecution atrocities!

This time, one of the undersized guards ((Later, it was learned that his name is "Yu Zhen Hua ") Walked come. He opened the door reprimanded: " You in quarreling about? Sleep! "

"I very want make good sleep, however I sleep in bed, physically was the secret control tortures headache, testicular pain, stomach pain, various body pain unbearable. Me how to sleeping?!"

"This thing I not asked!" He avoided my eyes said, "You are not allowed to be noisy, sleeping!"

"me have constitution give civil rights enshrined ! I committed what crime? Your what reason Put my detained in here? ! Secret control of tortured me the body carry out persecution? ! "

"the You are 5.16 counterrevolutionaries! "

"I do not know nor did it participate in any ' 5.16 counter-revolutionary organizations'! I Is not ' the 5.16 counterrevolutionary'! " I refute Road, "What do you have right can hide in a dark corner, The secret use of radioactive machines the likes the secret " secret agents technology" illegal to control my body, day and night me tortures, making I pain, itch, cold, hot, Ma, trembling, unbearable Suffering , Implementation physical and mental tortures fascist persecution?! You said, what is This a policy which the law allows this the engage? !

He relaxed a smiled, then tough to say: "This is proletariat the headquarters approved! Every room is the same! " Grasping this a "witnesses", I very indignant. Immediately and loudly condemned: "your these hiding in a dark corner, day and night covert surveillance, eavesdropping, Fascist persecution tortures me the dog secret agents, Your have just heard the guards the answered! He admitted your day and night in on the I secretly control the physical the tortures persecutio, ' is proletariat the headquarters approved! Every room is the same!' facts. I and not have in here rumors?!" I Xin Zhong Qing disingenuous, have civil the legitimate right, protected by the law! I do not know nor did it participate in any 'the 5.16 counter-revolutionary organizations'! You have the evidence? Insist that slander me are 'the 5.16 counterrevolutionary'? ! In the Cultural Revolution, in 1967,I did not participate in be any "assault, smashing, whirl" the military fights, did not participate be any 'anti-military' activities, I have not done anything in violation of policy and a matter of law, Your What evidence put I unlawfully detained in here? !

Now, your slander I are 'the 5.16 counterrevolutionary' the purpose did not achieve, the contrary, playing the deception, Wrongdoing and the despicable means, was me write into charged material! Therefore, your is very exasperation, hatred, anxiety, unscrupulously clandestine illegal the use of radioactive machines the likes the secret "secret agents technology", surveillance, eavesdropping and control me the body and mental, wantonly carry out fascist the tortures persecution, Attempt to force me into submission! Paranoia Concealing truth, conspiracy to kill stab in the back me! You represent The Is what a 'proletarian headquarters'? ! Your out roll to Said! This are what 'proletarian headquarters' the policies, laws, decrees, allow you this way to run rampant illegal?! Allow you this way wanton trampling on Constitution the dignity, the violation of basic human rights of citizens, On I the conducted body's circadian secret control fascist tortures persecution and conspiracy stab in the back? ! You out roll to Said! ! "

The next day, this guards Yu Zhen hua disappeared no longer a faceless. Another guards Lu Rui hua replaced He come unlock I was detained the jail the cell. But he the no longer answered me the any question, like A"as dumb". Obviously, this is he accepted Yu Zhen hua of leaked truth lessons the.

The 1972 of autumn, this "secret agents" the on me body of tortured persecution, reached its the peak! Day and night Put my tortured the pain intense, unbearable!

One day, when Me was they control tortured, in intrahepatic emerged " The knife cut " and "of electric shocks " the twinge. Strong pain, the forcing me in to the bed to greens go greens. I unbearable, declared a hunger strike to protest!! Three days hunger strike, I dazed to lie on the bed. Luo ma zi, Lu Rui hua and other guards like ants on a hot pan, frequent access into prison cell middle, they put rice and water placed in to my bed. from time to time to engage in deception and intimidation. But, me been make decided, if them on me intrahepatic the fascist tortures persecution not immediately stop, I refused to resume eating! They are not must " whole die me?! " good! I die give they see! --- But I must sprayed to them whole body blood!!

Finally, hiding in behind the "secret agents" were forced to the front stage to come "the faceless"! A Wear "PSB" police uniforms who, walked " Caledonia Caledonia " cattle shoes voice, gas hastily entered to the prison cell. "Xin Zhong Qing, you how not to eat rice? Ah! " He brash said.

I slowly reversed to faces, see his the in faces jitter ,the on he said : "I can not eat! "

Now the intrahepatic pain, this is Your hiding in a dark corner, illegal use of radioactive machines the likes the secret " secret agents technology ", control me body, tortures I intrahepatic ferocious persecution and manufacturing the! "Your have all hear has no? " me on fo stand aside the Luo ma zi and other several guards said: " He are 'PSB' the people, the on me fo body has been personally acknowledged the secret control of tortures persecution: let me in here on a 24-hour all no peace!! This not is fact there? I be did not 'camouflage dementia, talk nonsense and rumors'!! I the charged with exposing all are irrefutable the hard facts!!"

Luo ma zi, Lu Rui hua and other Guards bow have not utter a sound. This secret "Wolf maternal grandmother" see situation is not good, Pant in indignation to rush out of the room.

From 1971 started, the this of "secret agents" technical means of control I physical, day and night carry out Fascist tortures persecution, rough statistics, in nearly two years the time, reached its the have tens of millions of th!

For example, in May 23, 1973, morning 8:30--9:30 the this one a hour middle, I recorded under physical all the tortures persecution by the suffering as follows:

(1). Alternating emerged: headache, intrahepatic pain, stomach pain, stomach pain, testicular pain, left leg pain, left foot thumb pain and right wrist pain, hip pain. Head Vertigo, right arm pain, abdominal pain, mouth pain, back pain, right leg pain, thumbs right leg pain, dental pain. After cervical pain, small abdominal pain so on. (2). Moreover, in this one time hour, every once few there seconds in right leg strong electric shocks twinge! Also have, the genitals repeatedly appeared extremely unbearable the sexual excitement and strong inhibition of sexual desire --- this two mixed together carry out "sexual tortures" the control persecution.

This is a gang of dressed people skin of bastard! A gang of secret "devil"! A gang of fascist "persecution maniac!" their the evil Objective: is conspiracy Use this the "secret agent technology" carry out crazy the secret control tortured persecution, force me into submission, Whitty strokes to admit that he is the so-called "5.16 counter-revolutionary". If not from, them immediately blocking me on mouths, evil the implementation secret "whole die" stab in the back!

However, "the army may be stripped Shuai, people can no stripped their dignity! " They underestimated me. I totally disregarded his personal safety, "knowing mountains there are tigers, tend tigers mountains the to go!" I put up with long time subjected to the physical and mental extremely tortured painful, resolute on this secret "secret agents" control technologies, conduct tit-for-tat the expose, denounced and charged struggle against!

September 1972. The alarming "Lin Biao self-explosion" of the information transmitted to the prison cells, this greatly enhanced the Me struggle against determination and confidence. From the beginning of November, read the system to collate, I wrote five a charged material.

I not only put this five charged book with copies to them, Moreover, demands the they transferred to the CPC Central Committee and Chairman Mao Zedong! Furthermore, I also will this a five charged book, and when done for "spears" and "dagger". Per day in room the Central, toward this day and night in covert surveillance, eavesdropping and control my own the "secret agents" read. Carry out so rightly condemned for fighting!

And when I in read these materials condemned time, my throat was these secret "secret agents" control twinge, tongue frequently "bitterness", mouth inner severe the swelling. Evenmore, They put I the two side waist tortured

the twinge, compel I can not the stations legislature in the room central, only have lying in bed reading and condemned. Later, this gang of "secret agents" bastard, Simply put me the waist, control tortured for could Not bent over and unable to move, have one a little fretting, immediately extreme twinge. Compel I daily lives very difficult. However, Regardless of what shameless cruel tortures control means, I never have a day to stop the on them carry out the "read charged book" the denounced fight! Summer 1973. As the "Lin Biao incident" and "approved Lin struggle" the open carry out. This is purely a case framed and deception the, so-called "Jiangsu ferreting out 5.16 counterrevolutionary " truth, finally about being exposed, has become "Rabbit's tail". Situation improves, I was transferred to another downstairs spacious the room. Furthermore, no longer locked cell door.

One day, I stand in prison cells central with reading charged book time, like one trial the judges, toward this gang secret the "secret agents" bastard, issued out stern trial the sound!

Suddenly, I the lumbar subjected to of electric shocks the same twinge, Lumbar nerve and right leg like have "knife cut" the twinge, I can not stations, is also can not the sit, sleep in a bed unable to turn the corner, the pain made me a very tough battle, I immediately wrote "hunger strike book" placed in bed, again declared a hunger strike in protest. Three days and three nights "hunger strike " the struggle, led to factory "ferreting out 5.16" leader, led doctors, forcibly on the I injected with a glucose. I put this "hunger strike book " to them. And also said statement: "As long as this 'secret agent 'the on control tortured my waist fascist persecution of the day did not stop, I firmly not eat rice! Even is death!! " I the statement just finished, suddenly, in the past few days to, on the me waist and thighs the brutal tortures twinge immediately disappears the! These "secret agents" bastard, is how cruel! Also so weak! In the new situation, them are more they afraid of I death is in their hands! I the life-and-death struggle, finally knocking of this "death row" the door! September 13, 1973, they forced to announce that on me "liberated". I valiantly marched spiritedly to the victor pace, left of this conspiracy of illegally detained and persecution stab in the back for me 2 years and 8 months on "death row"!

(4),the this is a which covers the whole of China secret "secret agents" surveillance and controlling network!

Although, I walk out of prison cells, surface freedom of movement. However, these "secret agents", for the doing everything possible to closure me the mouth, not let me expose charged. On the Me still continue the day and night to conduct secret surveillance and physical control tortures! Whether at home; or in road upper; Sitting in car the middle; or Riding on bicycles; whether in the daytime or at night . On The me to the surveillance and control of physical body tortures persecution from never stopped.

Face This the continue secret control I body the tortured persecution, I decided to go Beijing, toward CPC Central Committee and Chairman Mao Zedong to charged.

In 1973 mid-December, I use newspapers, put I write the tens of thousands of words of exposing charged material copied into a large word poster, in 734 plants open public displayed. This poster like one a " bomb"! Making Jiangsu Province and Nanjing City authorities the leader very shocked. Xu Shi yu the confidants, Jiangsu Province Revolutionary Committee deputy director of Wu dasheng night held immediately an emergency meeting, and issued: " Xin Zhong Qing the poster, Is rumors, slander and attack! is a large hemlock! Should carry out organize critical! " Suppression order! Thus, Jiangsu Province defense engineering Industry director Chen-Tie and Nanjing City Committee of first secretary Fang-min, Their respective led one sub-teams, together the toward 734 plant lunged!

Nanjing "PSB" police the vehicles frequently into plant photographed

posters. Demonstrated a ready "to arrest person" posture; Nanjing all the enterprises of the security chief of were organizations of go 734 plant watch me the poster. For the in whole Nanjing the "critical" carry out prepare; In factories, besieged me "poster" slogan brush filled whole plant of the every corner; Factories broadcasters the loudspeakers over again to broadcast, held toward me and me "poster" the carry out struggle critical Assembly the "links know". The face of this "siege", I at home calmly thought, resolutely decided: resolute the struggle against! I use this to "struggle critical in Assembly" the opportunity the face of the broad masses of people, with them firmly debate struggle! Continue to expand me the This a poster The of publicity and influence. I firmly believe that the truth is in my hands! I wrote an elegant middle, expose of this fraud case, put the large number the people to slander for "5.16 counter-revolutionary" the "extreme left" line; expose this "secret agents" technical means control human body carry out persecution tortures the charged, all is the hard facts! ! I full confidence the Await tomorrow the "struggle critical in Assembly " the convening!

Saying: the evil not pressure justice! I in the minds of the this a "drastic decision", and resolute struggle against determination. Let this day and night all in secret steal Me the thinking "secret agents" were very shook panic! Their fear this "struggle critical in Assembly", the instead became I condemn them, Let them before public before, open exposure truth the "trial"! This caused whole province and whole city peoples to assess the impact and consequences will be dreadful! ! Next day, them shouting many day of on the my the "struggle critical in Assembly ", has suddenly "abortion" stop opened. First, broadcasters links know said:" Assembly, Delayed for a day", and after simply not opened. This way, on The me the massive "encirclement", instead became these illegal "secret agents " very hypocrisy and weak the self-exposure "masterpiece! "

I an elegant, shocked of Jiangsu Province and Nanjing City. Steady stream of people from whole Province and whole city come watch. One day, in near the 898 plant the a old the workers find me said: "He in NanJing Machine plant a brother the Liu Dehai tell me that, Have the a university teacher, invitation talk to you. "

I came to Nanjing the Confucius Temple Da shiba Street the A Cottage, a middle-aged intellectuals are enthusiastically waiting for me. He told me name is: Yuan wei-qing, is Nanjing Forestry University at the A lecturer. He said that he read my write the An elegant. so the offer invitation my to talk, because he on the me write the an elegant middle expose physical was suffered control tortures persecution the fact, Have the same experiences. He then talked about himself was detained in the "prison cells", physical was control tortured of the abnormal situation, he said: " I in thought what, they immediately know! Moreover, in my ears the immediately sounded the them tell me:' in thought what' the voice. The result was that I neurological and mental day and night incomparable Panic! ! " He added:" I physically feel that there are all sorts of unusual tortured pain, with the You wrote the is like. Them have made me urine incontinence. More intolerable is because long time the was detained the relations, I think of the wife..... they engage me shameless the 'sexual tortures', and you write the is like. Oh! is very shameless contemptible ah!..... sorry, I could not continue said". I know that he the "could not continue said ". this is secret means tortures genital, engage in a strong the sexual excitement and inhibition of sexual desire, mixed together the "sexual tortures" painful, these extreme immorality cruel means. He asked me how would know? why say these secret"secret agent"technology, is "radioactive machines " the likes means?

Therefore, I on he to detailed briefing the in prison cell time, from surprised, Suspicion to later determined have this illegal "secret agents" control technical means of the "discovery process"; Moreover, Also detailed briefing the light of their own the knowledge and do some testing analysis; I also added Luo ma zi and undersized guard Yu Zhen Hua leaking truth the

evidence. Also have, when I went on a hunger strike and time, "PSB" publicly confessed to tell me, "let you in here on a 24-hour no peace!" The facts. All of these, let I made this is a "radioactive machines" the likes the "secret agents" control technologies the judgment.

YUAN-teacher the emerged makes me very happy. It for me the exposed and charged struggle, against increase of a real "witness"!

1974 new Year's Day. I decided to go to Beijing charged. However, in the railway station encountered unidentified identity of the police the need to "Jiangsu Province Revolutionary Committee the Prove" as an excuse to the stop. One month later the February 4. I again Starting to go to Beijing. For to deal with the "Obtrusive", changed way. I started to go Shandong Yanzhou Province, and then the interchange to go to Beijing. Thus, successfully boarded the train.

On the train, and when I for themselves avoid "Obtrusive" and smoothly to board the train, in the heart secretly celebrate when, sudden I head twinge and faint halo, as well as stomach pain, testicular pain, heart uncomfortable, genital trembled, and nausea, vomiting, pain and other secret control tortured, in the my the body middle alternating emerged out come, and has been accompanied arrived in Beijing. This "secret agents" the since can control and steal me the "thinking activities", Naturally, the on me the "secretly celebrate" very angry! I on The These the persecution maniac the vent tortures have long been accustomed to. However, And This a further reinforced me before in prison cells time of the judgment: this secret "secret agents" control human body technology means, The is not an ordinary radio frequency electromagnetic wave. And this is a highly penetrating power the radioactive "electromagnetic radiation Ray!" Otherwise, the train should are have shielding effect the. To go Beijing after, in I physical middle, secret suffered the tortures the pain, again increase: two Foot twinge! Making I in Beijing streets walk very difficult!

In Beijing, I put own brought the charged materials, sent to in "Tai Ping streets" the CPC Central Committee and State Council establishe "cultural revolution" Reception Center. Meanwhile, I again passed the post office, the put these materials the copies sent: the CPC Central Committee and State Council, Central Military Commission, the Chinese National People's Congress Standing Committee, Supreme People's Procuratorate, the in Beijing all the central media sector.

February 7 afternoon, I decided to go to the Supreme People's Court, according to legal procedures "to tell". Cour the A people, Reception to the Me.

I on him description detailed the come Beijing for a charged the contents. he read I the charged book said: "engage 5.16 the issue, not has solved? Behind the policy Makers is Lin Biao!"

"Then, I charged Jiangsu Province and Nanjing City 'PSB' illegal secret control physical persecution tortures the case?! Them long-term illegal used the radioactive machines the likes the electromagnetic radiation Ray, this 'secret agents' technical means, Day and night the on the Me physical surveillance tapping and control, Consecutive implementation of tens of millions of th more than pain, itch, hot, cold, Ma, trembled, and "sexual tortures" so on fascist the physical mental tortures persecution and stab in the back! In charged book, I all wrote clear the. If is false accusations, I bear all the legal responsibilities!" I said.

You go to Beijing After, was still the case? "He asks.

" Yes, Continued in was secret control tortured. My head from time the vertiginous pain, two heel ALTERNATING in pain, making I walked with difficulty. "

He did not utter a word.

"You are the country's highest judicial organ, on the such wanton violation of the Constitution, violations of the basic civil rights of illegal secret agents technology in criminal activities. How address?!" I asked him.

"This is the of Public Security Lane the problems. we and they is same level

the level. Could not manage them". He shakes his head and says with exasperation.

" how ? No one manage them there? "I asked.

He pointing north west, said: "Zhongnanhai, Chairman Mao in Beijing, you can put this charged book sent to the Zhongnanhai to go."

.....

Supreme People's Court receptionist, tacit consent of me the charged this secret "secret agents" control technical means the facts. Only is because: "This is the of Public Security Lane the problems, We and they is same level the level, could not manage them". Moreover, the tell me put this an charged book sent to: " Zhongnanhai Chairman Mao". These fact clearly shows that, the this illegal secret "secret agent" control the human body technology, is the of Public Security unscrupulous minority criminals, of above the law, evil the violated citizens fundamental human rights the secret crime! Also is Lin Biao group, on the Chinese people secret implementation of fascist dictatorship the irrefutable evidence! !

A day later, I brought with all The charged book, of go Zhongnanhai west gate, a young security officer the reception me. He listened to my description, a conscientious and responsible manner said to me: "You to go buy a large envelope containing put all the charged book encapsulated good, I was responsible help you sent to inside."

However, the when I buy came back encapsulated good after, put material fo sent give them. This time, from the vicinity of springing two plainclothes! "Gate Gang" making the me put this "charged material" sent give them two. Thus, I toward to them walked over.

"You are not of sent to charged materials? give to the we! " They two on I said.

"The you two Is what people? Which unit the? I do not know you identity how put this materials give you ah? "I feel strange, asked them.

"The you if must sent to charged materials, now immediately give we! If you no give we, walk! " One a thin person malicious on I to said.

"The you can by mail ah! You not to go by mail the there? !" Another The fat man ridiculed said to me, " see you can put materials mailed to tell where to go?!"

This discourse divulging them the "truth"! I immediately realize that The This two people of the "true identity". Them not only on I up at the post office to mailed charged book very clear, Moreover, Obviously put I the mailed charged materials the have all has "short circuit"! Under such circumstances, how can I Handed over to them? So, I turned back to the gate. This time, A security officer officer going out the door come. I will charged materials give the him, asking him to be transmitted to Chairman Mao. He accepted my material.

However, the when I in the door near back head look time, saw two plainclothes hurry to rush in the past, toward security officer officer to say a few words after, from security officer officer hands, take away the me all charged materials!!

All facts clearly show that, whether I mailed, or other give to Chairman Mao charged material the channels, All has was this "secret agents" hoodwink the public, and the blockade cut off! !

How do? ! I decide using to " put up a poster" to approach to go alerted Chairman Mao the attention! In February 10 afternoon, I am in Zhongnanhai "the Xinhua Gate " opposite the on the wall posted poster: "the Ministry of Public Security interception obstructing civilians charged, blockade Chairman Mao, for unscrupulous!" And also Incidental posted number of the charged materials. However, just a 20-minute, was by unidentified persons tore off take away!

I did not retreat and give up. The next day, in Zhongnanhai near Xidan Street, I again posted poster! Instantly, come the A large number watched the crowd. Two plainclothes gas hastily brought me into the vicinity of the " militia Command ". They put the up posters torn been down. Shortly, two police to open jeep, the will I sent to Xidan Public Security Bureau. I take out can to prove I was the legitimate Citizens and can carry out the "big four" the all law and the policy document. Me As a legitimate citizen, have the right according law to Chairman Mao charged, Have the right to carry out the "four big" and put up a poster right. With interrogating me that the police carry out tit-for-tat struggle, making they thoroughly tongue-tied. Night, they have no alternative but to using " help you to find place to rest a bit first, tomorrow continue to talk. " as an excuse, despicable the put me sent to out Yongding door the "stray shelters".

Faced with this the shameless " deception ", I write a "strong protest" give "stray shelters". Moreover, I determination in here long time resolute struggle! When I in minds middle made this decision after, I immediately dizziness and pain, nausea, tongue frequently issued "bitterness", testicular pain, stomach pain, abdominal pain, the genitals Repeatedly appeared extremely strong unbearable the " sexual tortures " suffering, these the "secret agents" again around-the-clock on my body carry out "wanton bombing" tortures persecution! Nevertheless, I endured enormous suffering, determination to struggle in the end!

In this situation under, they very tense . A few days later, they "urgent telegram", call Nanjing plant 734 to the leadership Pang Jun Ming, Li zhao Mei, Zhu Zhen iu go Beijing to, trying to turn me back Nanjing 734 plant. Was I firmly rejected and resisted. After a few days, they very hypocrisy the changed Methods . Put the me caught in many vagrants people middle, special Ladle a section on the train trains, forcibly put me returned sent the Nanjing.

Beijing trip, making I clearly understand that, although "the Lin family dynasty" the leader Lin Biao "self-explosion", however, He the accomplices are still in activities! He the fascist dictatorship of "secret agents" control technology still in the on majority of the Chinese people to continue the implementation of secret of violating Citizens fundamental human rights of its crime! ! This encountered and fact, further clearly told me: this is which covers the whole of China one a "secret agents" surveillance and controlling network!!

(5), the framed I is "mental illness"? !

1974 The second half, criticism and inventory of the Lin Biao the struggle in the whole china launched. Jiangsu Provincial this manufacturing fraud deception cases the " ferreting out 5.16 counterrevolutionary " Holocaust the truth finally been expose. Large number was slander is "5.16 counter-revolutionary " the victims and bereaved. From whole province, the city 's various departments, all fronts, all factories enterprises out come, firmly "anti-trend". toward Xu Shi-yu and he the confidant Wu da-sheng, Fang - min carry out struggle, strongly demanded "vindicated and implementation of policy"!

In 1974 Autumn day, Me and several friends went to live in Nanjing "Ancient Floor" the Science the large floor 3#, du Fang ping the family middle. Du Fang ping is Nanjing Military Region the A minister. In the "Cultural Revolution" in middle "help the Left", and later became Jiangsu Province Military control committee Deputy Director. Because he was think is inclined to "good to send", offended Therefore Xu-Shi-you. was xu-shi-you framed is "Jiangsu 5.16 counterrevolutionary clique" of the total head. His wife is

Jiangsu governor (short) trucking of a company the cadres, is also been implicated, and detained to in "ferreting out 5.16" prison cells.

On the Du Fang ping and his wife, I did not understand familiar. May have is I shocked whole province, the city's the large word "posters". Also have, me go to Beijing to sue the courage to let them know my name. I friends and Du Fang ping in talked. I and another woman, The with Du Fang ping the wife chat. Topic to transfer to millions people curse of the Jiangsu the "ferreting out 5.16 counterrevolutionary" campaign.

"I also has detained a few years. Suffered sersecution!" Du wife said.
"Oh! You also are detained in prison cell?" I am surprised.
"How no? He is the Jiangsu's 5.16 total of head! " Du wife Pointing husband who said," they How may put I forget?"
"You are physical alright?" one woman asked her.
"Hi! I not die the! "She laughs heartily " but this is they do not willingness to see the! "
"Yes, we good. Xu- Shi-you, Wu-dai-sheng and Fang min they a gang very unbearable" I very agree Road.
"Xin China Qing, you now body how? "Du wife asked me, "I have heard that you in posted the up posters after, to Beijing go charged? "
"Yes," I replied. Then gave a brief introduction to go Beijing charged the situation.
"The now body was okay? " She asked with concern.
"I physical do not have any illness, has been very good. "I not let go any expose and propaganda opportunity said: " I in posted the an elegant middle expose the physical in day and night suffered keep the tortured: pain, itch, cold, hot, Ma, trembling so, This all are a handful of 'PSB' middle the 'secret agents', Use 'radioactive machine' the likes technical means, control I body secret tortures persecution manufacture the ".
She quietly listening. I told her in prison cells were found this a "secret agents" whole process; I body the suffered tens of millions th the tortures and me protest struggle against the fact; also introduced the in prison cells time, Watchmen and "PSB" the officer, divulged confessed the fact; moreover, Nanjing Forestry University the YUAN-teacher and I talk about the content so. Finally, the me in Beijing Supreme Court "to tell" time, the receptionist tacitly approved this fact the process.

"I detained in prison cell middle suffered the disaster, with you is same the! " She suddenly staring eyes, shouting angrily said.
"Oh!" I am happy and asked: " you In jail time, Also are by suffered body control of tortures persecution? "
"Yes!" She angrily scolded: "These despicable shameless bastard! "
" You physical is how the secret tortures? "I eagerly asked.

"They in my body what all pursue! Too shameless! Making I every day could not do open their eyes. also " She hesitated for a moment, avoiding my eyes, Resentment condemned road: "extremely despicable! Let me the nipple bleeding! also..... " She may be out of their own "identity" relationship, not willing Continue to said under to go. Thus transfer topic said: "I have been to Beijing three th. Has toward to Central Organization Department reflect this A the problems. "
"Central Organization Department how answered? "I asked.
"They said, you reflect the things we all know has been. After you not to come by."

"No other answered? "

"yes ".

"Oh, with the and me in Beijing encountered the almost the same! "I said

indignantly "I do not believe that! In socialist China could not find to truth!?"

Du Fang ping wife 's appeared, give I provided a "witness". This makes me very excited.

From Beijing returned the my, actively invested Jiangsu province expose "Hsu, Wu one gang of " and asked " implement policies vindicated "in the struggle. I using " Shang nine days " pen name, write out the" Hsu Shi you, is What kind of a person!?" , "Wu da sheng in said shit! ", " Wu da sheng death throes! " And so on a number large word the posters. Meanwhile, me on more than 1,000 people have been falsely accused of "5.16 counter-revolutionary", Three of was persecuted death the 734 plant to this a "Jiangsu ferreting out

5.16 template ", wrote an article "Investigation Report". I also seven Th

to Jiangsu provincial participated with Wu dasheng conducted the face-to-face the struggle. Moreover, Also I and many of the victims together, using automobile put camouflage " have illness " at home the Fang min---this Nanjing "ferreting out 5.16" the masterminds, "brought with" come 734 plant, conducted face-to-face the struggle.

However, there is no thought of the, in " vindication implementation of policy" middle, they this as an excuse. Framed I are so-called "mental illness".

July 16, 1975. Nanjing Municipal Committee of the Working Group was held in 734 of the plant has been accused of "5.16 counter-revolutionary" the " implement of policy vindication of the General Assembly ". At the meeting, the one hand, they announced that I was "a Level work-related injuries", the other hand, said that I was the so-called "schizophrenic". And subsequently sent "militia" to break into my house, forcibly using vehicle the sent me to go "Nanjing Wutaishan neurological-mental hospital ". Factory Two a workers Chen Kai siang and gu Jin hua. Proof I have not a "psychiatric illness" conducted for blocking protest, also were forcibly sent to the "Nanjing militia Command".

The In Nanjing "Nanjing Wutaishan neurological-mental hospital ". a middle-aged doctor hear I talk about the physical body was secret suffered control personal persecution, and go Beijing carry out charged the whole process. Silence moment after, on I said: "You no sick, can in here raise them body". Then gently told me: " Here same 'PSB' is have associates the".

From the doctor words proven: It is this "secret agents", framed me have " mental illness". Is and put me sent Here come the real mastermind who! One week later, hospitals agree wife to visit me. He accompanied me Walking as an excuse, put me brought with back home. Meanwhile, me brother in hospital gate posted a "solemn declaration": "Xin zhong Qing no 'schizophrenic'! We is he bereaved, on the he is very clearly, also greatest right to speak on! ! Put the Xin zhong Qing illegal kidnapping to mentally ill to hospitals, carry out The so-called 'Medical treatment'. Is a serious violation of civil rights for,the framed he are 'Lunatic' the conspiracy of political persecution incidents. We Is he the bereaved, according law have the right brought with him home! Hereby declare! "

The next day, I in factory posted out a "weasel to the chicken Congratulations on New Year! " the up Posters. Publicly exposed and criticized this use " vindication implementation of policy " as an excuse, framed I is so-called "lunatic" the persecution! My father, mother and my wife also jointly posted out a solemn declaration:" Xin zhong Qing no so-called "schizophrenic"! Condemned this plot frame-up the "lunatic" incident, Is a violation of policy and law, is violation its citizens the fundamental human rights!!

In this way, The This "secret agents" gang of meticulously plotted, framed I are so-called "lunatic" plot political persecution, met an ignominious

defeat. And moreover, in masses of the people the face, thoroughly exposed their shameless the sinister motives!

(6), was framed for "counter-revolutionary"? !

In 1976, China 's political situation there volatile chaotic situation. Chairman Mao Zedong After the death, the "Gang of Four" Were smashed. Lin Biao and the "Gang of Four" in Jiangsu agent Wu dasheng finally being exposed, accepted history of the trial. All people all applauding!

But, in the city party committee working group's mandate under, 734 plants committee secretary Wang Feng, in the throughout the plant general assembly, openly framed I is "Wu dasheng gang the member"? ! Is the "black scholar"? ! This is out-and-out distortion of facts! These in Wu dasheng in wantonly "ferreting out 516 counter revolutionary " the accomplices, now the instead framed one a suffered Wu dasheng persecution, and resolutely conducted the life-and-death struggle of the victims, is: " Wu dasheng gang member" and "Black scholar"?!

Moreover, recent, they own in the throughout the plant General Assembly announced, nonsense me is so-called "schizophrenic". For " a Level work-related injuries", forcibly sent to the "hospital". For now, they still the in same the throughout plant General Assembly, again nonsense I is what: "Wu dasheng gang member"? ! And "Black Scholar"?! They This way manipulative clouds, hand Minute rain. Manipulate playing "political trick", carry out for self-deception and self-contradictory performances, indeed is very ridiculous and lamentable!

November 20, 1976, I in the factory posted "the old tricks ugly performances!" the up posters, Through presenting facts and reasoning things out, and sharply criticized Wang Feng on the my framed! This is a righteous the up posters, making they incomparable panic restless. Soon, They reveals his ferocious nature, simply disregard also no ripping off they own sent me the what the "mental illness" hat, namely use "counter-revolutionary crimes" the name of sending police, put I arrest into Nanjing detention center prison.

In the detention center prison, they for achieving frame-up My is so-called "counter-revolutionary " The purpose. A start on in the " records" middle engaging in "Ghost"! In trial middle, they on me the content of the speech, take out of context, " provision false record " trick the Create so-called "counter-revolutionary evidence". Then, slink put this false the "records" folder into account The of many arraignment record middle carry out fraud, one-time force me hastily scrutiny after signing confirmed, flagrant the on me pursue intimidation fraud the political frame-up.

When Their this despicable conspiratorial approach been I to see through, and write "charged book". Making they very embarrassing predicament on angrily on the threat, said: "With your persistence of this attitude, carefully beware suffered to 'prison regulations' the punishment!" This is one a " hinted " ! Just as is in "ferreting out prison cells" middle, "PSB" the people, publicly to go to front stage come to scream: "You will were the dictatorship of the proletariat iron fist to crush!" this way the "hinted " same. That is to say, "To tell you, we let you in here 24-hour no peace!! " this "secret agent" the Control tortured persecution means, immediately will come, on the Me the physical carry out "wanton bombing"! Sure enough, a return to the cells, the on my body of secret tortures immediately "warming". And quickly reached "wanton bombing" heinous the extent! I whole body felt severe pain, itch, cold, hot, Ma, trembling the unbearable suffering, sometimes frequent alternating; sometimes are simultaneously emerged, than "ferreting out prison cells" the time, is more crazy and more brutal! I suffered this secret control the physical crazy to

torture of pain, all night unable to sleep. When I daytime lie down to rest the time, They immediately command prison guards, using "prison regulations'" as an excuse, on I kicked, also handcuffed! More ferocious The Is, them in order destroy me unyielding Fighting spirit and indomitable spirit, the long time, on I carry out frenzied mental tortures persecution! Cruel to the clandestine manufacture me heart middle that emerged strong the " sense of fear ". Such as: Intentionally suddenly opening the door Voice; The guards deliberately footsteps Voice; prison Cells middle the broadcasting loudspeaker deliberately issued "Caledonia, Caledonia" Sound; guards at the gate deliberately handcuffed the collision sound ... and so on, In these " premeditated voice ", into I ears to of the moment, I whole body was controlling trembled, in and the whole heart lane, that emerged absolutely terrifying the "sense of fear"! Moreover, they also repeatedly sending "specific prisoners" and I in together lived. the one hand deliberately provoked trouble intimidation; the other with the one hand day and night issued frequent collisions strong voice,

tie this a "secret agents" control means, the control I heart the middle that emerged absolutely terrifying the "sense of fear", on me carry out spirit destroy the tortures persecution!

Faced with such brutal and shameless secret tortured persecution. I many th toward prison middle one money "guards" lodged a strong protest! His very sinister replied: " finally One day, will making you not neural normal! "Such frankly the honestly " confessed " thoroughly exposes their evil aims: in could not falsely accuse me is the "counter-revolutionary "situation under. Attempt forced me become is "mental disorder" and "mental illness ". The mercy of them continue conspiracy stab in the back and persecution!! I very indignation and resolute struggle against, many Th write "charged book" material give them. And every day in their cells loudly condemned expose them on me use secret"secret agent" technical means to control physical carry out the fascist persecution atrocities! Righteously repeatedly making, must" Nanjing Public Security Bureau the leader " points to the front of the stage, I argue with him debate: the is what policies, laws, decrees allowing him to on my illegal detention custody of political persecution?! Is what the policies, laws, decrees allowing him to the illegal use of secret "secret agents" control means, on the I conducted round-the-clock fascist-like physical and mental tortures persecution?! Meanwhile, I also carry out three th hunger strike to the struggle. When I was dazed place to pulled from the cell rescue intubation transfusion the time, they had to eventually open brought with in me the wrists many days the handcuffed!

I every day carry out the so rightly "must debate" the open the condemn, and also carry out three th hunger strike to the struggle, this shocking the entire detention center. Have prompted them Can Not put I The continue detained detention any longer.

November 10, 1978 morning, prison middle the money "guards" opened the prison cells door, must the me clean up the good bedding, argue with him to shift counters. This time, two a "PSB" people, the in shift counters of throwing a one Zhang " Nanjing Public Security Bureau the release permit," must I signing. I look after said:
"I must in this 'release certificates', write into to this the two sentences discourse. "
"Not!" They answered very simply.
"This way, that I no signature! I do not go out, you send me back to prison!"
"I said firmly.
They two mutual see one Eyes, one of them said: "You write what?"
"A sentence is: I is was illegally detained detained political persecution.

2nd sentence: I in 1978 year on October 26th day write the eighth Th 'charged book 'was suppression lived. "
" Not!!" they two together Yells.
" Not agree? I firmly not signing! You send me back to prison go!" I said.
A stalemate, they said concessions: "We report to the leadership. "
After 20 minutes, they back to come helplessly: "agreed you write."
This way, I in this "release card " write the this "two sentence" and signed a name and date.
I originally thought that, "the release of" after, was to freedom the.
Surprisingly enough, a new conspiracy of persecution, a more sinister way the, pronounced I "lifelong death," the retaliation, earlier in waiting for me!

(7), The life not ending, fighting not Stop!
734 plants security Section the Yuan Shoufang Jiu and driver Pharaohs open a jeep in detention center which the entrance waiting me. They and the public security bureau two people to accompany I got on jeep. The car toward south drove out Nanjing City wall.

"You put me sent to where? " found jeep to go the " direction" wrong, I asked handling cases people.
Handling cases were not hedged language. I again hot pursuit asked.
"You body no well. You factory not give you is ' a Level work-related injuries'? Now, sent you to go recuperating, recuperating. " Handle cases people were could not evade the on me said.
" To go where recuperating? "
"Zu Tang Hill psychiatrists Shelters."
"I had no mental illness! You is very the clear! "I protest said, "This is you again create together again framed I is 'lunatic' conspiracy political persecution! "
" This... send you to go recuperating, this not good there? " Handling cases people Cunning the said.
"Hmm! Thank you very much! You how now become so 'mercy'? "I derision said," in two years ago, when You murderously the using 'counter-revolutionary crimes' put me arrest to the detention center, and do everything possible to conspiracy to frame-up I the time, you how did no recall that the factory once has given me an 'a Level work-related injuries' hat? how did no recall sent me to 'rest to recuperate ' ? Ah? Now, you through two years the 'efforts', in an attempt to frame-up me as ' counter-revolutionary ' of the conspiracy complete failure! And You on I conspiracy frame-up and control tortured stab in the back The tricks exposed, was me seize, write into 'charged book ', your let own to ride upper the History to the judgment seat. This way, you have no choice but to release me! However, do you not willing to recognize fail, again Manufacturing this together 'lunatic incident', framed I for the 'mentally ill', sent to the 'lunatic Shelters', continue to plot carry out persecution and stab in the back!
This way, (1). You can dignity 'step down';(2). Can 'burned destruction ' I wrote the all charged material, burned destruction your engaging in "Ghost" frame-up I evidence; (3). Can be once and for all the blockade to resolute me expose charged you use secret " secret agents " technical means, on I carry out tortures persecution and conspiracy stab in the back the mouth! This is your sent me to rest, recuperating 'true purpose and sinister intentions! "

my the rebuttal and strong protest, making this two"Handling cases people" at extremely embarrassing predicament. Them panic the eyes see sitting on the opposite side of the 734 plants security Section the Yuan Shoufang Jiu, hurried to say: "This ... this, We do not and your debate. You do not have the disease, to be examined, and Inspection not good? "
"You two people were not 'mentally ill', Why not is also to go 'Inspection check '?! " I uncompromisingly derided said.
"This..." handling cases people silence speechless.

.....

" Nanjing Zu Tang Hill psychiatrists Shelters " In Nanjing the southwest city of Zu Tang Hill .
Male ward management cadres "Chen Platoon " in receiving me after, toward I detailed briefing here the situation. He in listened to me the redress of after, honest concern to me and said: "I have seen the 'mental patients' very more! You come here, I know you no psychosis, me one see you on know! Here is the tube PSB, it is understood that you are by Public Security Bureau leader sent to here, you want from here to go out, you the Family members must to in outside carry out reflect petition representations. If you in here write charged material, I can charge help you sent to go out. " Subsequently, wife come here visit me time said, when I was sent here same time, City Public Security Bureau to find the factory the leader, using "Xin zhong Qing, he has been sent to recuperating " as an excuse, deceptive coercion she, Forcibly took my "account" to transfer here. The facts are quite clear, Nanjing Public Security Bureau the leader, for on the me in detention center prison open condemned him the "stigmatization" and unyielding struggle carry out retaliate, ferociously attempt put my whole life to "settle down confined" in this isolated "lunatic Shelters " middle, disguised pronounced me "death"! Its rampant illegal the scorpions heart is how vicious!

In this isolated "lunatic Shelters " middle, I have the physical, mental, suffered to "three aspects " the persecution:

(1). Environmental persecution: 100-200 a serious mental disorders of the lunatic, arbitrary urine and feces, and day and night frantically shouting, dancing, and many times toward I whirl eat, whirl things. Also even tearing up my face ...

(2). Drug persecution: forced medication and injections. I just as the Japanese film "hot pursuit" middle the Du qiu, put was forced swallow the Drug drugs pressure in tongue under, During inspection after, secretly ran to the bathroom to vomit a clean.

(3). this Secret" Secret agents " control tortures persecution: in addition to the other all day and night to physical, mental torture painful, My right leg was a long time suffered secret control, similar emerged " knife in the cut" and "of electric shocks " tortures the tremendous twinge, let I daily the can only be like lame person same walk and life.

Faced with this disguised pronounced I "death" the vicious of persecution, I again write a "charged book", give to " psychiatrists Shelters" leader. Moreover, I also "hunger strike" strong protest struggle! Meanwhile I the bereaved in outside repeatedly to the Xinhua News Jiangsu Branch of Agency and other departments, the also to go Beijing toward authorities reflect and petition...

In 1979 Early spring afternoon of the day, Xinhua News Jiangsu Branch of and People's Daily Jiangsu center reporters in jointly sent a reporter Jiang yu min. by in me wife Accompanied, came to the " psychiatrists Shelters" on I carry out investigations to visit asked. In the "psychiatrists Shelters" dining room, he passed and I talked, listened me presentation and expose suffered persecution whole process after, make conclusion, on my wife said: " Xin zhongqing not mental illness, it is very clear!" he also Shocked exclaimed: "PSB how can put the a normal without mental illness the people, will he detained to in there!?"

Thus, this Jiang yu Min reporter according policies and law, Find the Nanjing Municipal Committee Wang chu bin and Nanjing Public Security Bureau long, carry out speak up the in direct negotiations after, in April 1979 the middle, I finally was bereaved come Meet back home middle, left this "psychiatrists Shelters". Me the "accounts" Also to back the Home .

This way, lasted two year six months time on me carry out the " the old tricks ugly the performances ", finally is exasperation the lowered its the curtain!

Before and after 2 Th very similar the, On the me shameless framed the "ugly performances", the is performances finished. However, I on this secret"secret agents" control technology struggle The Is still in continues! Me back home after, the physical was still in this "secret agents" technical means the control of tortures persecution the pain middle! Year after year, day after day, every minute non-stop! ...

From "the special the age " the "special background " began, making I this "little small Xin Zhong Qing", encountered the this "secret agents" black hand inhuman the brutal tortures persecution. Safeguard the Constitution sacred of the dignity and the basic human rights of citizens; for the suffered secret conspiracy to persecution and stab in the back the victims redress of grievances. Also have, I on The This secret "secret agents" black hand the immense hatred, making me shoulder this a "special responsibility": Determination put this "special combat" carry out in the end! The life not ending, fighting not stop! Even if the bloody sacrifice, it will never waver!

If one day I had once again suffered been all kind form of political persecution, If one day I the physical was them secret control and secret manufacture a variety of "strange ailment" or "incurable disease" conspiracy stab in the back and died of. I write The This exposed complaint to the material, is that my leave of the Wills!

In 21st century democracy the rule of law the age, in "human rights" has been written into the Chinese constitution today, Is it said also can this allows secret "secret agents" technical means continue wanton trampling on the Constitution dignity, violations of citizens rights here? ! Is it said, we on "it" the exposed and struggle is not very necessary, completely is reasonable and legal justice action? ! If not, then also have what truth, justice, law, the rule of law and human rights to speak of? !

" Grasping lived The Is hand; could not conceal The Is mouth "! History has proven and will continue to prove this point!

Chapter III: Whole Mankind's common struggle against mission!

Scientific discoveries and inventions progress, give to bring human civilization, is also a departure from the human desire reversed. This advanced secret "secret agents" control the human body technical means, is a clear proof.

Mankind's "idea content ", can secret theft know; the human body all the "physiological diseases and act ", can for secret long-range remote control "manufacturing ". If is not own a true experience, I is find it hard to believe and understand.

However, the irrefutable facts, after all not are any sophistry of can deny any. "Paper is there's smoke there's fire"! "If must people not know, Unless you not done". Any form the "cover up" can only succeed at one time, However definitely not may long time! !

From a scientific point of view, the human body itself indeed have a "bio-electric field " exist; the body of neural information transfer process indeed have a "biochemical Current " activity. Same time, the produce "biological electromagnetic wave signals". The body of various nerve cells , play their respective roles. Whether is brain nervous "thinking"; Whether from the brain to " Send " to go human body various parts of the " campaign information" nerve transmission; or is from human body various parts of "uploaded" to the brain, the "sensory information" nerve transmission, its essence is a "pulse biochemical Current " the produce carry out coding and Transmission process. In addition, there are general radio wave "frequency" and "wavelength" and "amplitude" and " beam" and so on these "parameters" characteristics. This and radio "pulse oscillator" produce a "electromagnetic wave signals" and Transmission is essentially the same. This fact in itself has Laid of the on the human remote sensing, telemetry and remote control the of objective foundation.

Modern and advanced "biological control theory ", " human body Medicine", " Radiology" and "Biochemistry", advanced "computer technology", " Automatic control technologies", "neuronal functional simulation technology". And "radio remote sensing, telemetry, remote control technology", and many other advanced scientific technology theory the integrated application, also has laid a solid technical foundation.

Therefore, From a scientific point of view said that the attainment of on human brain and nervous system of remote sensing, telemetry and remote control, is completely may the. Furthermore, control of the human body "electromagnetic waves " is likely to be a strong penetration of the electromagnetic. Installed in a secret location of such advanced "secret agents" facilities, through on of each "was control " people the body middle produce the " biochemical electromagnetic wave" carry out "personality parameters" measured, and then Application of advanced "computer" and "automatic control technology", and Issued out Correspondingly "parameter control " electromagnetic waves, so as to achieve on "was control" the human brain thinking stealing and carry out "dialogue"; Also on the whole nervous system carry out secret tracking remote control, manufacturing "were control" people body middle produce out all many kinds various the "physical disease and act" the evil purpose.

From the last century the 1970s since the beginning, I have personally suffered this "secret agents" technical means on the I large brain thinking control bugging and personal physical control fo tortures persecution and conspiracy stab in the back. Therefore, I incomparable anger the wrote out the this " human common enemies -- secret control human body of evil act! " Materials. Here, I solemnly declare: I written the contents entirely true.

In this regard, I assume full legal responsibility.

30 years come, these "secret agents" criminals have never stopped on me the thought right, Rest right and health right the day and night secret control tortures persecution. Now, from the Internet to expose the whole of China in various parts of the large number of "electromagnetic wave violations of human brain" examples show, this gang of "secret agents" the "secret Remote control technology means", today not only not disappeared, the Instead, more rapid development.

Nearly 10 years, I due do business. Has once to go Beijing, Shanghai, Hangzhou, Jia-Xing, Suzhou, Wuxi, Changzhou, Zhenjiang, Yangzhou, Guangzhou, Shenzhen, Zhuhai, Changsha, Zhuzhou and Wuhan, Anqing, Pengze many other cities. Meanwhile, I also went to Guilin, Yangshuo, Chengdu, Dujiangyan, Jiuzhaigou, Leshan, Mount Emei, Huangshan, Qingdao, Rizhao, Haining, Wuyishan, Jiujiang City, the Lushan, Jiangxi the " Lung the Palace cave", Yueyang City, Jingzhou City, The Three Gorges. The Witch County and many other places tourism. Whether is sitting trains, ships, or cars, this "secret agents" the "remote control technology means "black hands, always keep up with the on me the body, carry out secret bugging and control discount Grinding.

Facts further prove that: this indeed is which covers the whole of China one a "secret agents" surveillance and controlling network! Moreover, such an illegal secret control of human technology, after decades of time, Have the new development. That is: Their secret control technology more and more advanced; Their secret control the scope and purpose of increasing diversity; their secret control of the target increasingly broad; their secret control human of tortures the means increasingly secretive, cunning. However, like all things all have Duality Same, this the "secret remote control human body evil means", was discovered possible, It also will more and more increase.

Can fully believe, in the "human rights" has been enshrined People's Republic the Constitution of the of today, with the passage of time, This illegal the lawlessness evil act, Definitely will prove China the an a old saying: " more engage unjust is doomed to destruction"!! The day will come when, this "secret agents control human body " the demon, definitely will suffered mankind and historical trial!!

Here, I strongly urge all justice-upholding people, especially the news media and the legal profession, have the courage to come forward. Firmly to expose This Human common enemies --- secret control human body of technical means the evil act!! Shoulder the stop its continue carry out "anti-human, anti-human right" the secret crime the sacred responsibility!!

Incidental records

On the "secret remote control technology" the on human body the illegal invasion. I once wrote "demon-ridden" (later changed to "one secret black hands --" demon-ridden ") the article material.

In recent years, some of my friends and netizens to me a few pertinent to the amendment proposed: some believe that the article longer length a bit; some feel conspicuous theme also not enough; Some have felt necessary to remove some "sensitive "words; is also some said contents have a bit complex, not easy interpreters.

Here, I express to them our heartfelt thanks. Meanwhile, according to their views on the revised article. Thus, produce had "Human common enemies -- secret control human body of evil act! " this Article. Now, I will It open issued, with readers.

A Collective Complaint to Chinese President Hu Jintao

附件（一）：

《致胡锦涛主席的集体控诉信》

尊敬的胡锦涛主席：

我们是一些被“秘密遥控人体和大脑（精神）技术”折磨迫害的受害者。网络使我们相识，受害的遭遇让我们走到了一起。

我们集体向您——胡主席进行强烈控诉！！

在现今的中国，有着一帮无法无天的秘密罪犯。

长期以来，他们恣意践踏宪法尊严，非法侵犯中国公民人权，肆无忌惮地使用“秘密遥控人体和大脑（精神）技术”，对受害者的身体和大脑（精神）日夜不停地实施种种秘密控制骚扰，惨无人道的进行折磨迫害和阴谋暗害，致使许多受害者每天生活在极为痛苦恐怖的精神状况中生不如死，身心遭受极度的摧残和伤害。不少受害者因他们制造出的各种莫名其妙的怪病而无辜冤死。

这种秘密“遥控技术手段”包括：制造我们身体内日夜交替出现：痛、痒、冷、热、颤抖、难受等人为的“生理疾病和生理行为”痛苦；制造我们的大脑（精神）日夜出现被遥控的所谓“幻听、幻觉”的骚扰折磨痛苦。他们还竭尽无耻、卑鄙、下流的变态伎俩，窃取传播受害者大脑思维的隐私信息，并且，疯狂地对受害者进行秘密恐吓和种种人格侮辱。所有这一切，都给受害者的肉体和精神带来了无与伦比的巨大创痛！

由此，造成我们中的许多受害者如今在工作单位受到了极不公正的对待：有的受到严重歧视；有的被剥夺了工作权利，失去了生计。一些受害者向公安司法部门报案时，也被错认为“精神有问题”而不予理睬。同时，也给我们的家庭带来了极

其严重的损害,使不少受害者的家庭因此而出现裂痕,甚至造成家破人亡的惨痛后果。

据不完全的网络统计,在我国,现今公开站出来揭露曝光的受害者已有几百人之多。而更多的受害者正在逐步认清这帮秘密罪犯的“庐山真面目”,积极加入到揭露曝光他们罪恶的战斗行列来。

这种无法无天的秘密恐怖犯罪行为的泛滥,正在引发广泛的社会恐慌,给整个社会的稳定与和谐带来严重的破坏。这种伤天害理的秘密恐怖犯罪行为的泛滥,必将对国家、对民族造成巨大的危害!

而这样广泛的滥用“特权”,非法侵犯公民人权的秘密犯罪行为,在其技术性、恐怖性和反人类性上都已经成为中国和世界历史上空前的人权浩劫。毫无疑问,这是对人类良知、对法律的严重挑战,是国家的宪法和法律所绝对不能允许的!

中华人民共和国宪法第三十三条法定: 凡具有中华人民共和国国籍的人都是中华人民共和国公民。

中华人民共和国公民在法律面前一律平等。

国家尊重和保障公民人权。

中华人民共和国宪法第三十八条法定: 中华人民共和国公民的人格尊严不受侵犯。禁止用任何方法对公民进行侮辱、诽谤和诬告陷害。

中华人民共和国宪法第五条法定: 中华人民共和国实行依法治国,建设社会主义法治国家。

国家维护社会主义法制的统一和尊严。

一切法律、行政法规和地方性法规都不得同宪法相抵触。

一切国家机关和武装力量、各政党和各社会团体、各企业事业组织都必须遵守宪法和法律。一切违反宪法和法律的行为,必须予以追究。

任何组织或者个人都不得有超越宪法和法律的特权。

中华人民共和国民法第九十八条法定: 公民享有生命健康权。

然而，这帮秘密罪犯，根本无视《宪法》等这些法律条款规定，有恃无恐地凌驾于法律之上，滥用手中掌握的所谓“特权”，丧心病狂地对广大受害者的身体和大脑（精神）进行摧残式的秘密遥控折磨骚扰迫害，恣意蹂躏剥夺受害者的思想自由权、休息睡眠权、身体健康权等公民基本人权；无耻地侵犯侮辱受害者个人所有的隐私和人格尊严……。

我们受害者在他们的日夜秘密控制折磨中备受煎熬，“唤天天不应，唤地地不灵”。在这种极度痛苦，举目无助情况下，才不得不集体向您投诉控告。敬请胡主席您能体察民苦民愤，为民做主。

据悉，在当今世界上，俄罗斯、美国以及欧盟等许多国家和地区，都不同程度地制订和正在制订一些具体的决议或法规，明确制止这种“秘密遥控人体和大脑（精神）技术武器”对普通平民实施秘密酷刑虐待折磨迫害。如俄罗斯议会的“决议”就是一例。

(<http://www.geocities.com/capecanaveral/campus/2289/webpage.htm>)

(<http://mindjustice.org/1-02-6.htm>)

在此,我们强烈要求国家紧急立法，制订更具体的法律法规，坚决制止这种滥用“秘密遥控人体和大脑（精神）技术”手段，悍然对公民的身体和大脑（精神）实施疯狂骚扰折磨迫害的秘密恐怖犯罪行为！！

这种滥用“特权”的无法无天秘密恐怖罪行,是疯狂的秘密“**违反宪法和法律的行**为”！我们强烈要求国家从“**尊重和保障公民人权**”的法律出发，坚决“**必须予以追究**”这帮秘密犯罪分子的刑事责任，挖除这些“秘密毒瘤”，将他们绳之以法！为建立一个法治的和谐社会铺平道路！！

此致

敬礼！

An Open Letter to the Head of Chinese Secret Institution

附件（二）：

《致中国“秘密机构”头头的公开信》

我们是一些长期遭受你们管辖下的“特别机构”滥用特权，秘密使用“遥控人体（大脑）技术”，对我们的肉体和精神，实施日夜骚扰折磨迫害和阴谋暗害的受害者。网络使我们相识，受害的遭遇让我们走到了一起。

为了捍卫宪法的尊严和公民基本人权，我们特此向你们写这封公开信。

谁都知道，人脑的主要功能之一是“思维”。各类“思维”的组合，构成了人的全部“思想”。这种“思想”活动，是人的一种内在生理行为，也是人正常的本能精神活动。

并且，任何人，也包括你们在内，在社会生活中，时刻都需要互相进行交流，时刻都需要对外界事物进行感知、认识、分析、判断、认同、否定等种种“思想活动”。由此可见，人脑进行“思想活动”，就犹如人需要和有权享用“空气、阳光、水”一样，是人赖以在社会中生活和生存的基本要素和条件。

而这种“思想活动”的“内容”，又时刻呈现出不确定的、游离状态的特点。因为，其随时都可能因外界情况和条件的改变，或因自身认知发生变化，而随之进行相应的变更。

比如，当二个人发生激烈冲突时，其中任何一方都可能因愤怒而产生出“要杀死对方”的“念头”。而这种“思想活动”，是随时可以发生变更的。也许愤怒者在冷静下来后会自我否定而改变初衷；也许经朋友劝说厉害后会改变想法。又如，一个男人，在看到一位漂亮、丰满、衣着外露的女性时，一瞬间极可能产生出一种冲动的“性占有念头”。而这种“思想活动”，会由于或条件限制，或自我控制，或惧于法律惩治等种种因素，而随时会自我否定变更消失。再如，当某人受到不公正对待

时，一瞬间也可能产生出对现实的“强烈不满念头”。而这种“思想活动”，同样随时会或者因为自己认识的提高，或者因为别人的劝说，或者因为原有的“不公正对待”情况的消失而随之变更消失，等等。

从法律意义上说，只有当人的“言行”确有违犯法律的事实时，法律才予以惩处。而人的“思想活动”，纯属是一种合情、合理、合法的，绝对自由的个人隐私，也是人类神圣不可侵犯的最基本人权。因此，任何组织和个人都不允许用任何方式实施窃取传播和骚扰侵犯，更无权依此作为评判依据。

然而，在“文革”中，林彪、四人帮一伙大搞法西斯特务专政。他们对被秘密关押的大批干部群众，非法使用“遥控人体（精神）技术”手段，秘密窃取“思想活动”作为“犯罪依据”，并进而依此对受害者的肉体和精神实施惨无人道的秘密遥控残酷折磨迫害，致使许多干部群众无辜遭到诬陷，并以莫名其妙的一些“怪病”被阴谋暗害，或不堪忍受秘密凌辱而自杀，含冤而死。

毫无疑问，这种秘密窃取公民头脑中的“思想活动”作为“犯罪依据”，并进而依此实施秘密肉体、精神折磨迫害和阴谋暗害的罪恶“整人理论”，从法律上讲，是完全违背了“法律只对于那些在言行上确有违犯法律的事实，依法予以惩罚”的原则；从政治上讲，是公然侵犯人类本能思维权利的反人类、反人权的法西斯主义的体现；从科学上讲，是明显与人类“思想活动”时刻处在变更的不确定状态的事实格格不入的；从道德上讲，是不折不扣的窃取公民个人全部“思想隐私权”的无耻的道德罪恶。

因此，在上个世纪八十年代初，为了在全国“拨乱反正”，顺利“落实政策”，平反一切“冤、假、错案”，一位司法界资深人士专门在《人民日报》上发表文章，郑重地指出了：“在中国没有思想犯！！”这一条重要的法理原则。

显然，历史已经对这种罪恶的秘密“整人理论”做出了严正的宣判！对于这样一段历史事实，毫无疑问，你们一定是记忆犹新，十分清楚的。

不幸的是，你们管辖下的专门监控民众的“特别机构”，却接过林彪、四人帮一伙大搞法西斯特务专政的衣钵，秉承他们那一套非法罪恶的秘密“整人理论”，长期

以来，一脉相承地对公民的“自由思想活动”进行秘密监控窃取，进而对公民实施种种非人道的、无耻的、残酷的秘密肉体、精神折磨迫害和阴谋暗害！

改革开放后，随着这种“秘密遥控人体（大脑）技术”越来越先进，随着你们管辖下的“特别机构”的“广泛基层化”；人员素质的“低下庸俗化”，这种“秘密遥控人体（大脑）技术”被更加普遍的恣意滥用，成了对遭监控的受害者实施种种“变态狂式”的无耻骚扰折磨迫害的发泄工具。

从大量揭露出来的事实表明，你们手下的“特别机构”人员，正是秉承那套罪恶的秘密“整人理论”，对许多无辜受害者的肉体和精神，实施着 24 小时不间断的、长期的、无耻的秘密遥控折磨迫害和阴谋暗害手段：

(1) 侵犯公民隐私权。通过秘密窃取受害者的“思想活动”，进行广泛传播，恣意侵犯公民的全部“隐私权”。并以此对受害者进行“恐吓对话”，胁迫受害者时刻生活在毫无隐私可言的惶惶不可终日的痛苦精神状态中。使一些受害者经受不起这样长期的个人隐私被时刻暴露无遗的精神恐怖折磨，有的甚至于走上了“自杀”的道路。

(2) 精神骚扰。日夜制造受害者耳朵内出现：威胁恐吓、造谣诽谤、讥讽辱骂等骚扰声音，扰乱受害者的精神，使受害者无法正常思维，无法正常休息，无法正常生活、学习和工作。有的还在受害者入睡时，大量灌输种种凶杀暴力、色情淫秽、反动恐怖的画面进入受害者的大脑，施展无耻的流氓式的“钓鱼”伎俩，设下“陷阱”，诱骗、陷害受害者。

(3) 肉体折磨。恣意制造受害者身体内各个部位随时出现：痛、痒、热、冷、颤抖、难受等种种肉体异常痛苦。并且，无耻地实施毫无人性的“性折磨”的手段，使受害者日夜生活在无比煎熬痛苦，生不如死的境地。甚至，还制造受害者体内出现种种“怪病绝症”；或在开车或过马路等需要注意力集中的关头，控制改变受害者的视听感知，制造事故，凶残地阴谋暗害。

(4) 通过对受害者亲属的身体和精神实施各种折磨痛苦，对受害者施压，竭力增加受害者的精神负担。通过窃取受害者的“思想”，传播给其亲属、朋友、同事

等，或合成制作后者的声音，将其传送给受害者，大肆制造假象、混乱，竭力挑起矛盾、冲突。进一步恶化受害者的社会生活环境，加剧和促使受害者的精神趋向崩溃。

.....

凡此种种秘密手段，其目的就是要把受害者折磨迫害成：或者“精神失常”被送进精神病院；或无法忍受残酷折磨痛苦而“自杀”身亡；或产生和公开发出“强烈愤慨不满”的偏激言行——而“授人以柄”，被“依法惩处”；或制造“绝症”，借助医生的“手术刀”，实施冠冕堂皇地“借刀杀人”阴谋暗害，或通过干扰受害者的感觉认知，制造“意外事故”。而这许多分明是货真价实的阴谋暗害，却又嫁祸于受害者自身、于“疾病”、于他人，以掩盖其秘密迫害和暗害的真相。

如此目无法纪、惨无人道地秘密侵犯公民人权，其蛇蝎之心，又何其毒也！

毋庸置疑，在一个“依法治国”的国家里；在建设“以人为本”的和谐社会中；在“人权”已明确载入中国宪法的今天，这种滥用“特权”，肆无忌惮地遥控侵犯公民人体（大脑）的秘密行为，更是地地道道的反人类的秘密恐怖犯罪！是对神圣宪法尊严的亵渎！是对人类文明的严重挑战！

中华人民共和国宪法第 33 条明确法定：**国家尊重和保障公民人权**。这样的“人权”，当然包括公民起码的思想自由权、睡眠休息权、身体健康权和基本生活生存权。民法第 98 条还具体法定：**公民享有生命健康权**。而在宪法第 5 条中又郑重法定：**任何组织和个人都不得有超越宪法和法律的特权**。

面对神圣的宪法法律，你们手下的秘密“特别机构”人员，为何竟敢如此胆大包天，竟敢如此横行不法，作恶累累？！

作为中国“秘密机构”的头头，如果你们对此不知情的话，难道就不应该承担这种“秘密罪恶”的领导责任？！如果你们知情，难道就不应该站出来说清楚，究竟是谁赋予了你们这样可以凌驾于宪法法律之上的“罪恶特权”？！如果只是你们手下的“特别机构”在滥用“特权”的话，那么，你们就应该以一个“共产党员”的光明磊落

立场，从对公民人权、对社会和谐、对国家信誉高度负责出发，立即坚决地、毫不迟疑地制止你们手下这种非法滥用“特权”，秘密侵犯公民人权的罪恶行为！！对那些滥用“特权”，蓄意秘密残害公民造成严重后果的秘密罪犯依法论处！！并给遭受秘密折磨迫害的受害者以合理的精神和经济赔偿！！

在这里，还必须正告那些滥用“特权”的秘密施恶犯罪者：不要以为这种“秘密遥控人体（大脑）技术”的高度机密性和隐蔽性就可以矢口否认，百般狡辩；不要以为广大受害者无法找到直接证据，广大民众暂时不知情就可以恣意欺骗，掩盖真相；不要以为政府的其他部门不敢过问就可以甚嚣尘上，一意孤行；不要以为中央领导不知道这种“秘密罪恶”的真相就可以有恃无恐，无法无天！

古话说得好：纸是包不住火的！多行不义必自毙！任何危害人民的罪恶，不管其隐匿得多深；不管其有什么样的“特权”；不管其是何等的猖獗，都只能是横行于一时。到头来，是必定要被汹涌澎湃的文明社会发展的历史所淘汰，变成被钉在历史耻辱柱上的不齿于人类的狗屎堆！！

历史的辩证法就是这样！！

这里转贴一篇载于《新华网主页》上的文章。其内容是披露俄罗斯受害者集体签名，控诉遭到“秘密脑控技术”武器骚扰折磨迫害的真实情况。同时，也对这种“脑腔武器”在军事上的应用作了一定的客观报导。

这些报导内容，出于官方媒体之口，这自然引起了人们的广泛关注。因为，这表明官方媒体对于这种“秘密遥控人体（大脑）技术武器”的客观存在予以了一定的认可。而这种披露“冰山一角”端倪的可嘉之举，理应是视“真实、客观、公正”为生命的新闻媒体的职业道德所在。由此，可以毫不夸大地说，新华社网站在这方面是开了一个好“头”。

人们不禁要问：这种“秘密遥控人体（大脑）技术”武器，难道在这个世界上只有俄罗斯存在吗？不！中国也有。我这“红聆博客”中的所有文章，都是在揭露这样一个确凿存在于中国的事实！（<http://blog.sina.com.cn/xdj88>；<http://xdj88.bokee.com/#>）

人们不禁要问：既然是以“遥控人体（大脑）”为目标，那么，这种“秘密脑腔技术武器”，难道就仅仅是应用于“军事上”吗？不！任何一种针对“人”的秘密尖端技术武器问世，最先被青睐和应用的必定是“秘密机构”！

这些都是不争的事实。

如今，许多对这种“脑控武器”的存在尚有怀疑的朋友；许多对自己受害的真相尚认识不清的难友，都可从这篇文章所要传达的“信息”中得到有益的启示。

从这个意义上来说，我们应该感谢新华社网站，以及报导这些内容的那位记者先生。

不战而屈人之兵?美俄被指研究“脑控武器”

据俄罗斯《圣彼得堡时报》6月初报道,俄罗斯研制“脑控武器”的试验对一些人的健康造成了危害,一些受害者以公开信的形式向联合国人权委员会求助。

常言道:知人知面不知心。人心应该是世界上最难揣测的东西,更别提加以控制了。但如果真有能控制人思想的“脑控武器”,在军事上的应用前景不可限量。尽管多次遭到官方否认,但有证据显示,美国、俄罗斯等军事强国都对“脑控武器”的研究颇为重视,能干扰人脑的电磁波武器、声波武器及光波武器,也属于这一范畴。

俄罗斯受害者集体申诉

根据一些解密资料及媒体报道来看,俄罗斯在脑控武器研究方面可谓“历史悠久”。在冷战时期,苏联克格勃在研究远程控制人的思想方面颇为积极。国家为此拨专款多达数亿卢布,几乎所有拥有超能力声称能“读心”甚至“控心”的苏联人,都被国家安全部门网罗门下。但许多资料对具体研究成果达到何种程度,都“语焉不详”。美国《连线》杂志曾批露,苏联解体后,在俄罗斯人才纷纷被“挖角”、相当一部分军工科研项目也被取消的情况下,有关脑控的一些顶级科学家及相关项目,却几乎被完整地保留下来。

由于俄军方极力否认仍在进行类似研究,脑控武器在俄军方近来的多次行动中都未曾一展身手,也有人认为俄罗斯可能已经停止了这种非人道武器的研究。但近日俄脑控武器受害者一封致联合国人权委员会的一封公开信,又引起了人们的强烈关注。据《圣彼得堡时报》报道,信的末尾征得了大量受害者签名,多数受害者居住在莫斯科、圣彼得堡,还有来自乌克兰塞瓦斯波尔的。公开信中写道:

“许多俄罗斯公民指出军方曾默许包含酷刑的医学实验,这些酷刑剥夺了许多人的健康甚至生命。这类试验企图在根本上监禁人民、获取情报、操纵人们的意识和行为。无论是在私人住宅、公众场合、工业场所,还是在公共和私人交通工具,被秘密选定的受测试者,都会受到这种“神秘武器”发出的含有化学和生物刺激的放射性影响。时间长了,会让受测者社交孤立、免疫力下降,进而导致各种疾病,甚至死亡。

如果听其发展,其恶果必将是摧毁俄罗斯人民。

我们希望执法机构能够根据每个受害者的案件,进行详细调查。我们同时要求,根据俄罗斯联邦

刑法相关条款，公开这类犯罪案件的详情，以及对公民健康所造成的损害……”

信的末尾是“居住生态和社会保障莫斯科委员会及圣彼得堡人类生态武器保护协会”主席的签名。该信引起了多家媒体的关注，但对此俄军方予以否认。到目前为止，联合国人权理事会并没有启动相关调查。

脑控武器开启“无声战争”

我国古代著名军事专著《孙子兵法》中，以“不战而屈人之兵”为最高境界，“必以全争于天下”，即最好的战略是在达成胜利的时候，天下还能保持“完整”，也就是以最小的代价取得最大的胜利。目前流行的电子战或许能在某种程度上达到这种效果，但电子战也存在成本高昂、有一定危险的局限性，而脑控武器是以“攻心为上”，直接影响控制人的思想，有着更明显的优势。

目前“脑控武器”主要分为三类：电磁波武器、声波武器及光波武器。其中电磁波武器又被分为电场、磁场、微波及其他类型电磁波武器；声波武器包括次声波武器及超声波武器；光波武器则主要是紫外线、激光武器。在冷战时期，俄罗斯及一些西方国家曾从效果最大化方面考虑追求致命性，如让敌方士兵大脑受强烈刺激，甚至引诱敌军士兵自杀。现代意义上的“脑控武器”的方向是从人道主义考虑，“化敌为友”，让敌军放下武器投降，免遭肉体消灭。

那么，脑控武器是怎样将复杂的人心“玩弄于股掌”呢？

美国有一家名为“沉默的声音”的军工生产商，该公司自称曾和美国军方多次合作。其公开的文献显示，制造脑控武器前，需要先克隆人类情感。用超级电脑对数据库中的成千上万个情绪脑电波样本进行分析，以得到心理特征和脑电波形状的对对应关系。接着在另一台电脑中存储这些“情绪信号串”，用无线电向人体发射这些“有生命的信号”，“沉默地改变人类的情绪状态”，从而操纵目标对象的心理和情绪，以影响其行动。

从原理上讲，脑控武器的“杀手锏”就是其致幻效应，让敌军士兵在外界信号的指引下，做出违背己方利益的行动，如放下武器、投降等。与密集轰炸、枪炮阵阵的传统战争相比，脑控武器开道的战争可称得上是真正意义上的“无声战争”。虽然没有隆隆的爆炸声，但这种“沉默的声音”所起到的效果同样惊人。

让空中出现“金甲神人”

美国科学家还研制出一种新型心理幻觉武器，能借助激光和复杂的计算机系统产生图像投影，在战场上的任何地面和大气层中映射出物体的虚假形象，包括飞机、坦克、舰船、部队等，让对手产生面对庞大敌军的幻觉，从而压制对手的意志，引他们走上“歧途”，如放弃抵抗甚至投降等。这种虚拟武器还能在战场上空呈现历史人物或传奇人物，包括在敌军中拥有绝对威信的宗教先知形象，就像古典小说《水浒》中描述的在空中现身的“金甲神人”。还可结合光学和声学武器，在特殊调制解码器的帮助下，合成“先知”的声音，向信徒下达放下武器、缴械投降的命令，从而对敌军官兵产生强烈的心理震慑。

心理战是脑控武器鼻祖

有人对“俄罗斯受害者集体告状”所说的事表示怀疑，认为这不过是一个吸引公众眼球的噱头。而将脑控武器说得有板有眼的“沉默的声音”公司，五角大楼也从未承认过与其有任何合作。也有科学家也从原理上质疑“控脑”的可能性：人的大脑千差万别，“一千个大脑就有一千种脑电波”，它们之间的对应关系是否有规律可循还未可知。纵使有规律，大脑是否会对那些外来的“指令”言听计从呢？因为在人类历史上，还只有那些据说“中邪”了的疯狂之人，曾自称受到过外来“神秘命令”的指示。

但无论如何，脑控技术作为一种攻心战术，在历史上还是有源可溯的。在一战、二战期间，英军就有专业的“洗脑”团队，通过德语广播瓦解德国士兵的士气。太平洋战争期间日本与美军大打心理战，其“东京玫瑰”也让美军指挥官伤透了脑筋（日军专门挑选音质甜美的播音员，对美军广播一些情意缠绵的思乡节目，让美国兵开小差。这个行动以及播音员都被美军称为“东京玫瑰”）。海湾战争一直被看作美军心理战的典范：美军组织了一批会说阿拉伯语的小分队，专门通过广播劝说伊拉克士兵投降。美军将自己的战果，如击落多少架伊军飞机、伊军多少坦克被毁等立即通知伊军。伊军官兵以为陷入了“大势已去”的境地，只得束手就擒。

1979年，苏联曾将次声波武器、电磁辐射武器归入了大规模杀伤性武器一类，后来西方国家也承诺不研发这类武器，但从目前来看，很多承诺明显落空了。由于脑控武器的“非凡力量”，很多国家都想研发这种技术。正如美国国防部高等研究计划局一位高级官员所说的：“谁控制了这种技术，谁就能控制所有人的思想。”但如同核技术一样，脑控技术如果真的成熟了，也会面临扩散的危险。如这种技术落入了恐怖分子手中，后果将不堪设想。（池晴佳）
